

**CLINICAL-TRACK POSITION  
FACULTY OF DENTISTRY  
MCGILL UNIVERSITY**

The Faculty of Dentistry, McGill University, invites applications for a part-time, clinical track (non-tenure) academic position in Oral Medicine, Oral Pathology, Dental Pharmacology, Dental Anaesthesia, Oral Diagnosis or other relevant fields of dentistry. Candidates must have completed an undergraduate degree in Dentistry, have relevant training and be licensable to practice dentistry in Quebec. Rank and salary will be commensurate with education and experience.

Responsibilities will include undergraduate and resident teaching, scholarship in relevant fields, as well as linked administrative responsibilities. A working knowledge of French will be advantageous. Intramural private practice facilities and/or a hospital based practice are available.

The Harry Rosen Award for Excellence in Clinical Teaching, including a significant stipend for a period of 1, 2 or 3 years, may be awarded to an outstanding candidate.

Deadline to send applications, including curriculum vitae, a statement of teaching and scholarship interests, and the names, postal and e-mail addresses of three referees, is June 19, 2017 and should be sent to the following address.
