On behalf of last year’s Faculty and Staff Campaign Co-Chairs Janette Green and Jeff Fieldsend, The Neuro would like to thank each and every volunteer and donor for participating in the 2013-2014 Putting Our Heads Together internal campaign. Thanks to our combined efforts and generosity, we have been able to raise over $850,000 for The Neuro since 2006!

Participation in The Neuro’s internal campaign has grown remarkably in the past eight years. Thanks to the dedication of teams like our Animal Care Facility - where 100% of staff donate - and our Nursing Team - who pooled their donations to purchase critical equipment - our success keeps growing year after year. The Neuro continues to lead the world in understanding how the brain works, and in developing and delivering treatments and cures for neurological disease and injury. Thank you for making this all possible.

WHAT MATTERS TO YOU?
Because you get to choose where you want to direct 100% of your gift, you can be sure that your financial support is used for the projects that are the most meaningful to you. Last year, our Campaign donors directed their support as follows:

Neuroscience Research: Funding advances into causes and treatments for conditions such as multiple sclerosis, epilepsy, Parkinson’s disease and brain tumours.
Patient Care: Improving the quality of patient care through programs like TCAB (Transforming Care at the Bedside), investing in nursing education, and the purchasing of new vital-signs monitors.
Directed Priorities: Supporting initiatives like the Theodore Rasmussen Fellowship, the Adele D’Amato Neurology Education Endowment, the Animal Care Facility Fund, the Tom Gevas Student Award, and many others.
Capital Campaign: Contributions to the ‘Thinking Ahead Campaign’ helped us to achieve our campaign total of over $49 million and to build the new North Wing Pavilion.
Greatest Needs: Ensuring that funds are available for our most pressing needs helps us to pursue promising opportunities and keeps us ahead of the wave.

On behalf of the countless patients and families who are the ultimate beneficiaries of your generosity, for all that you do for The Neuro each and every day, and for your loyal support of our Faculty and Staff Campaign...THANK YOU!
