Prepare to make your mark
Entering Class 2020-2021

McGill University is located on land which has long served as a site of meeting and exchange amongst Indigenous peoples, including the Haudenosaunee and Anishinabeg nations. McGill honours, recognizes and respects these nations as the traditional stewards of the lands and waters on which we meet today.

✔️ Apply for financial aid

McGill offers need-based bursaries to newly accepted, first-year, first-degree students from low to modest-income families. The application deadline is 60 days from the date of formal acceptance to the university or June 30 (whichever comes first). Apply through Minerva > Financial Aid

✔️ Accept your offer

Let us know you’re coming before the deadline given in your letter of acceptance through Minerva > Application Status > Application > Accept this offer. You’ll have to make a deposit by credit card. If you don’t respond by the deadline, your place may be given to the next person on the waiting list – so be sure to confirm on time!

✔️ Apply for your CAQ & Study Permit

If you are an international student, you should begin the process of applying for your CAQ and Study Permit as soon as you receive your letter of acceptance. You’ll need to submit these to McGill as part of your legal documents (see “Send us your legal documents” for more information). Citizens and permanent residents of Canada do not need to apply for a CAQ or Study Permit.

✔️ Find a place to live

Residence spaces at the downtown campus are assigned to students who have confirmed their room reservation prior to midnight, Montreal time (EDT), on June 2. Rooms are assigned through a lottery system. Students receiving Major Renewable or Basic Entrance Scholarships from McGill are guaranteed one of their first two choices of residence halls.

Log on to Minerva before the deadline and
- rank your choice of hall assignments
- fill out the questionnaire
- pay your room reservation deposit of $1500 along with a $30 residence application fee
