APPLICATION FOR APPROVAL of RECRUITMENT

of New Tenure-Track/Tenured/Pre-Tenure-Track Academic or Librarian Recruitment

The University's financial commitment to this new hire to a tenure-track/tenured position (or pre-tenure-track for APSC) is limited to the funding of those terms and conditions noted therein. The Provost & Vice-Principal (Academic) may exclude or modify requested commitments and will indicate any such modifications in the Provostial Recruitment Approval Memo (PRAM) formalizing the approval of the candidate. Once finalized, additional, omitted or revised commitments to the candidate will become the responsibility of the Faculty(ies) or Department(s) unless such changes are approved via a revised PRAM.

No finalized offer letter can be sent to the candidate before you receive approval of this application.

APPROVALS: **Faculty of Medicine: CIHR Clinician-Scientist award(s), or similar award(s)**
Where an institutional commitment at the time of the award application to provide a tenure-track position upon completion of training is a requirement. Provide a copy of the award agreement, terms and notification. The Provost and Vice-Principal (Academic) must be notified by the Dean at the start of this award of a probable tenure-track appointment request.

****NOTE on Second or Third Round Candidate** In order to facilitate negotiations in the same hiring cycle, should the selected candidate named on this document decline the offer, this agreement can be substituted for Second or Third round candidate, if required, on the same licence. This may be done when all other parameters remain identical (salary may be changed by 5K, as per note in that section), with the exception of rank requiring UTCR approval. Please submit a revised AAR with the finalized candidate's name shortly after negotiations are completed to receive an updated Provost Recruiting Agreement Memo (PRAM).
