FACULTY OF ARTS

COMMITTEE ON STUDENT AFFAIRS

MANDATE

The Committee on Student Affairs (CSA) is chaired by the Associate Dean (Student Affairs). It proposes, reviews, and recommends on student affairs. At least five members on a rotating basis are called upon to participate in the Committee on Student Standing (CSS), a sub-committee of CSA. CSS has its own terms of reference (attached) that were discussed and approved by CSA in 1999. Currently, the Committee is made up of one representative from each academic unit of the Faculty of Arts. The representative is named by the Chair of each unit. Since CSA is a standing committee of the Faculty of Arts, its members should be named by the Nominating Committee.
