

## Career Resources – Anatomy & Cell Biology

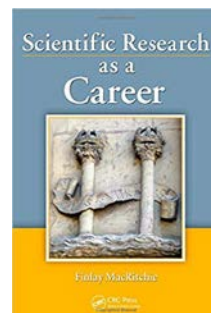

### Career Explorations

Graduates work in a variety of settings (not exhaustive):

- Health care
- Preclinical research
- Teaching and consultation
- Medicine and dentistry
- Laboratory management
- Hospital & medical administration
- Science writing & communication
- Research assistance
- Pharma and biotech sales

### Selected Books at CaPS

- Career options for biomedical scientists
- Opportunities in biological science careers
- Scientific research as a career
- Your passport to a career in bioinformatics
