REQUEST FOR EXEMPTION BY EXAMINATION

The Exemption by Examination test is intended for students who do not have the required academic background but who believe they have the necessary knowledge for a co-requisite or prerequisite to a program offered through Career and Professional Development (CPD).

Exemption by Examination tests can be taken for the following courses:

UNDERGRAD COURSES:
Wednesday, August 12, 2015

- CCOM 205: Communication in Management 1
- CMSC 000: Foundations of Mathematics
- CMSC 101: College Algebra and functions
- MGCR 211: Intro to Financial Accounting
- MGCR 273: Managerial Economics

GRADUATE COURSES:
Wednesday, August 12, 2015

- CACC 521: Concepts of Financial Accounting
- CEC2 532: Business Economics
- CMS2 500: Mathematics for Management
- CMS2 521: Applied Management Statistics
- CORG 551: Behaviour in Organizations

Registration to take an Exemption by Examination Test is done online. To get further details, please consult our website at:
