

2010-2011

Speaker	Topic	Date	Presentation Site	Video-Conference Site
<p>Dr. Amal Bessisow Chief Medical Resident, Royal Victoria Hospital</p> <p>Dr. NingZi Sun Chief Medical Resident, Royal Victoria Hospital</p> <p>Dr. Rayan Kaedbey Chief Medical Resident, Montreal General Hospital</p> <p>Dr. Louay Mardini Chief Medical Resident, Montreal General Hospital</p>	Night Float System	June 14	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital
<p>Dr. David Eidelman, Physician-in-Chief of the MUHC Department of Medicine and Chair of the McGill University Department of Medicine</p>	(in lieu of Medical Grand Rounds) Special Town Hall Meeting on the State of the MUHC Department of Medicine	June 7	Osler Amphitheatre A6.105, Montreal General Hospital	RVH, MNI and QEHC
<p>Pr Marc Bardou, MD, PhD Senior Consultant, Gastroenterology & Hepatology Unit, University Hospital of Dijon Head, Center for Clinical Investigation, INSERM unit 803 Expert, French Medicine Agency in Gastroenterology / Nutrition and Liver Disease-HIV Disease working groups</p>	Health regulatory authorities in France and Europe: from clinical trials to public health interest.	May 31	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital

Member, French National Pharmacovigilance commission, French Medicines Agency President, French College of Medical Pharmacologists Past member, Transparency commission, High Health Authority				
Marlene Rabinovitch, MD Dwight and Vera Dunlevie Professor, Pediatric Cardiology Scientist, Vera Moulton Wall Center for Pulmonary Vascular Disease Professor, Developmental Biology Stanford University School of Medicine Member, NIH/NHLBI Scientific Advisory Council	Will Pulmonary Hypertension become a Reversible Disease in the Twenty-first Century?	May 24	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital
Dev Jayaraman, MPh, FRCPC Assistant Professor, Department of Medicine Division of Critical Care	Rapid Response Systems - What are they and should (can) we have one	May 17	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital
Hertzel C. Gerstein, MD Professor, McMaster University and Hamilton Health Sciences Population Health Institute Chair in Diabetes Research	What do the large diabetes outcomes trials teach us about managing the patient in front you?	May 10	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital

<p>Director, Division of Endocrinology and Metabolism Director, Diabetes Care and Research Program Deputy Director of the Population Health Research Institute</p>				
<p>Eric Ehresnperger, MD Assistant Professor, Department of Medicine Division of Neurology & Robert Coté, MD Professor, Department of Medicine Division of Neurology</p>	"Rethinking TIA"	May 3	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital
<p>Harvey Max Chochinov, MD Professor of Psychiatry, University of Manitoba Director, Manitoba Palliative Care Research Unit, CancerCare Manitoba Canada Research Chair in Palliative Care Member, Governing Council of the Canadian Institutes of Health Research</p>	What's Dignity Got to Do With it?	April 26	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital
<p>Marina Klein, M.D., M.Sc., FRCPC Associate Professor, Department of Medicine Division of Infectious Diseases McGill University Health Center</p>	HIV and Hepatitis C Virus Co-Infection: Partners in Crime	April 19	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital

Steven Paraskevas, MD Associate Professor, Department of Surgery Director, Transplant Research at MUHC Director, Pancreas and Islet Transplant Program	From Tolerance to Tourism: Challenges on the Frontiers of Organ Transplantations	April 12	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital
Dr. Hanane Benbarkat R2, Internal Medicine & Dr. Bertrand Routy R2, Internal Medicine	Sometimes when you hear hoofbeats, it is a zebra & The singer from Inukjuak	April 5	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital
Linda Ofiara, MD Assistant Professor, Department of Medicine Division of Respiratory Medicine, member of the department of Oncology	Lung Cancer: the basics	March 29	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital
Allen Huang, MDCM Associate Professor, Department of Medicine Division of Geriatric Medicine, MUHC Co-investigator,	Computers, communications and clinicians. Bridging the information gap and fulfilling the promise of medication reconciliation in patient safety.	March 22	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital
Linda Moreau, B.Sc., M.D., F.R.C.P.C. Assistant Professor, Department of Medicine Division of Dermatology McGill University Health Center	Leg Ulcers -- Management Strategies and Optimal Care	March 15	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital
Steven Counsell, MD Mary Elizabeth Mitchell Professor of Geriatrics Director, IU Geriatrics Program Scientist, IU Center for Aging Research	An Evidence-Based Approach to Improving Hospital Care of Older Persons	March 8	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital

Indiana University School of Medicine, Indianapolis, IN				
Mark Crowther, MD, MSc, FRCPC Professor , Departments of Medicine, Pathology and Molecular Medicine Chair, Division of Hematology & Thrombembolism, McMaster University Chief, Laboratory Medicine St.Joseph's Healthcare and Hamilton Health Sciences, Hamilton Career Investigator, Heart and Stroke Foundation of Ontario	New Oral Anticoagulants	March 1st	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital
William D. Foulkes, MBBS, PhD James McGill Professor of Medicine, McGill Unviersity Departments of Medicine, Oncology & Human Genetics	Using Genetics to solve medical mysteries	Feb. 22	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital
William D. Leslie, MD FRCPS MSc Professor of Medicine and Radiology Chair, Scientific Advisory Council for Osteoporosis Canada Member of the Board of the International Society for Clinical Densitometry Director, Manitoba Bone Density Program	New Recommendations on Osteoporosis Treatment: Time to shift with the Paradigm	Feb. 15	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital

Co-Directeur, Winnipeg PET Imaging Center				
Ciriaco A. Piccirillo, Ph.D. Canada Research Chair and Associate Professor Departments of Microbiology & Immunology and Medicine Montreal General Hospital Co-Leader, Infection and Immunity Research Axis Director, FOCIS Center of Excellent Director, Immune Phenotyping Platform McGill University and Research Institute of the McGill University Health Center	Cancer Immunology: from Mechanism to Immunotherapy	Feb. 8	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital
Phil Gold CC, OQ, MD, PhD Douglas G. Cameron Professor of Medicine Professor of Physiology and Oncology, McGill University Executive Director, Clinical Research Center, MUHC	Carcinoembryonic Antigen (CEA): Past, Present and Future	Feb. 1	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital
Robert Altman, PGY-4 Neurology Resident, McGill University & Stuart Lubarsky, MD CM	Anoxic Auguring: Neurologic prognostication in comatose survivors of cardiopulmonary resuscitation	Jan. 25	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital

Assistant Professor, Department of Medicine, Neurology & Neurosurgery Montreal General Hospital and Core Member, McGill Center for Medical Education				
Jan A. Staessen, MD Head, Division of Hypertension and Cardiovascular Rehabilitation Dept. of Cardiovascular Diseases, University of Leuven, Belgium Professor, Genetic Epidemiology at the Department of Epidemiology Maastricht University, Netherlands Doctor Honoris Causa, Jagiellonian University, Kraków, Poland	Ambulatory blood pressure measurement for risk stratification of cardiovascular risk -- results from an international database	Jan. 18	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital	Osler Amphitheatre A6.105, Montreal General Hospital
Kevin C. Kain, MD, FRCPC Director, Sandra A Rotman Laboratories McLaughlin-Rotman Centre for Global Health Director, The Center for Travel and Tropical Medicine University Health Network - Toronto General Hospital Professor of Medicine, University of Toronto Canada Research Chair (Tier 1), Molecular Parasitology	Biomarkers and Interventions for Life-Threatening Infections.	Jan. 11	Osler Amphitheatre A6.105, Montreal General Hospital	JSL Browne Amphitheatre M3.01, Royal Victoria Hospital

<p>Dr. L. Mardini, Chief Medical Resident, Montreal General Hospital</p> <p>Dr. R. Kaedbey, Chief Medical Resident, Montreal General Hospital</p> <p>Dr. N. Sun, Chief Medical Resident, Montreal General Hospital</p> <p>Dr. A. Bessissow, Chief Medical Resident, Montreal General Hospital</p>	<p>Who wants to be an MUHCillionaire?</p>	<p>Dec. 14</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>
<p>Peter S. Goldberg, MD Associate Professor, Department of Medicine Director, Critical Care, MUHC & Sabah N. A. Hussain, MD, Ph.D. James McGill Professor of Medicine</p>	<p>Ventilator-induced Diaphragmatic Dysfunction</p>	<p>Dec. 7</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>
<p>Jean Bourbeau, MD Director, Respiratory Epidemiology and Clinical Resarch Unit Associate Professor, Department of Medicine McGill University Health Center</p>	<p>Understanding the Challenges and Opportunities we have in COPD</p>	<p>Nov. 30</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>
<p>Jacques Genest, MD Professor, Department of Medicine Scientific Director, Center for Innovative Medicine, MUHC MCGill / Norvatis Chair in Medicine</p>	<p>Clinical Research Infrastructure at the MUHC: The Center for Innovative Medicine (CIM)</p>	<p>Nov. 23</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>

<p>Fanny Silviu-Dan, M.D., F.R.C.P.C Assistant Professor, Department of Medicine Division of Allergy and Immunology McGill University Health Center</p>	<p>Urticaria - is it all drug-induced?</p>	<p>Nov. 16</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>
<p>Alan Forster, MD Associate Professor, Department of Medicine Scientific Director, Clinical Quality & Performance Management, Ottawa Hospital Scientist, Clinical Epidemiology Program, Ottawa Hospital Research Institute University of Ottawa, Ontario</p>	<p>Improving patient care by systematically monitoring poor patient outcomes</p>	<p>Nov. 9</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>
<p>Armen Aprikian, MD Professor and Head, Division of Urology Richard Tomlinson Chair in Prostate Cancer Medical Director, MUHC Cancer Care Mission</p>	<p>Prostate Cancer: To screen or not to screen?</p>	<p>Nov. 2</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>
<p>Dana Baran, MD Associate Professor, Department of Medicine, Division of Nephrology & Paul Barré, MD Associate Professor, Department of Medicine, Division of Nephrology &</p>	<p>What's new in Nephrology?</p>	<p>Oct. 26</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>

<p>Tiina Podymow, MD Assistant Professor, Department of Medicine, Division of Nephrology</p>				
<p>Don Sheppard, MD Osler Fellow Associate Professor, Departments of Medicine and Microbiology & Immunology Program Director, Royal College Program in Microbiology and Infectious Diseases McGill University</p>	<p>There is a fungus among us: An update on Mycology at the MUHC</p>	<p>Oct. 19</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>
<p>Jean-Pierre Després, PhD, FAHA Professor, Department of Social & Preventive Medicine Division of Kinesiology, Université Laval Director of Research, Cardiology Institut universitaire de cardiologie et de pneumologie de Québec Québec, QC</p>	<p>Obesity as a risk factor for metabolic and cardiovascular disorders and its management</p>	<p>Oct. 12</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>
<p>Raisa Deber, PhD Professor, Department of Health Policy, Management and Evaluation Faculty of Medicine, University of Toronto Director, CIHR Team, Community Care and Human Resources</p>	<p>Public and Private in Canada Health Care: Getting the Diagnosis Right</p>	<p>Oct. 5</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>

<p>Marc Deschênes, MD Associate Professor, Department of Medicine Director, Division of Hepatology McGill University Health Center</p>	<p>Management of Chronic Hepatitis B</p>	<p>Sept. 28</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>
<p>Theodore E. Warkentin, MD Professor, Departments of Medicine & Pathology and Molecular Medicine McMaster University, Hamilton Ontario Regional Director, Transfusion Medicine Hamilton Regional Laboratory Medicine Program, Hamilton Health Sciences</p>	<p>Diagnosis, Treatment and Prevention of Heparin-Induced Thrombocytopenia (HIT)</p>	<p>Sept. 21</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>
<p>Dr. Rayan Kaedbey, R3 Dr. David Maggio, R3 Dr. Zeina Kaddaha, R2</p>	<p>Great cases from the 15th floor Clinical Teaching Unit</p>	<p>Sept. 14</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>
<p>Armand Aalamian, MDCM, CCFP, FCFP Assistant Dean, Resident Affairs Assistant Professor, Department of Family Medicine Locum Physician, Innuulitsivik Health Center, Puvirnituk, QC MUHC, McGill University</p>	<p>Changing the McGill Learning Environment: Attainable goal or Utopian myth?</p>	<p>Sept. 7</p>	<p>Osler Amphitheatre A6.105, Montreal General Hospital</p>	<p>JSL Browne Amphitheatre M3.01, Royal Victoria Hospital</p>
