Two CORRESPONDANCE
Have had a delightful day
at Cannes - it is a charming
place. Not glaring or formal
like Nice & lovely surround-
ings. The old castle & XIII Centu-
ry church took awfully in-
teresting - we had no time to go
up there to-day. We seem to have
endless excursions we still
might do. I wish we had longer
here. I have so enjoyed it all.
Had very depressed letter from
M.J.D. this A.M. I wish she could
have stayed at longer. but is
going back to sell up things in
town as their lease is done -
