PMBA
Why Students Who Can Go Anywhere Come to McGill

With students from 150 countries, alumni living on every continent and a reputation for excellence that reaches around the globe, McGill has carved out a spot among the world’s greatest universities.

Our diverse group of accomplished students have journeyed from all over the world to study here in Montreal, a culturally vibrant city, ranked in the top 5 best international student cities.

*QS Best Student Cities, 2018

"Pursuing the PMBA program at McGill was one of the most rewarding professional endeavors I’ve undertaken in my career. McGill offers the exposure to a best-in-class network of business professionals, both inside and outside of the classroom. I landed my dream job after meeting my current boss who was a guest speaker in one of my classes and that opportunity catapulted my career forward. I am beyond grateful."

“Shortly after the start of my PMBA studies, the senior management at my organization proposed that I join an accelerated internal program for future directors. I have also been chosen to be the business analysis lead for one of the biggest IT and infrastructure transformations in Montreal. Thanks to this program, my opportunities have multiplied.”

MÉWÉ SAMIE
CGI

“I chose to do my PMBA at McGill because of its integrated learning curriculum, which has helped me develop a structured and effective approach to problem solving. My PMBA experience has given me the confidence to make a career change and the tools to reach my full potential.”

JASMINE VOKEY
Canadian Armed Forces

“The McGill PMBA program has helped me become a more effective, global leader. I have learnt a great deal from my professors, but also from the McGill community, whether it is from my outstanding classmates or from all the events available to PMBA students.”

ALEX FOURNIER
ENERCON

“McGill’s PMBA program has allowed me to benefit from the breadth and depth of a full-time program without losing any career momentum. I was also able to apply new ideas and approaches to my work in real-time, which has left a lasting impact.”

PATRICK BRAYLEY
McKinsey & Company

“The structure of the PMBA program allowed me to connect with some of the best mentors I could ask for. The learning experience was instrumental in me challenging and examining the different perspectives that I had. It enabled me to transform my engineering mindset to a credible, business-minded consultant that creates value for clients every day.”

**BASE CAMP**
Prior to the official start of classes, students attend a ‘base camp’ during which they will attain the required level of competency in the basic quantitative skills that are necessary to succeed in the program.
- Business Statistics
- Financial Accounting
- Math for Finance

**THE CORE**
The Core is comprised of five integrated modules:
- Leading
  - Global Leadership
- Measuring
  - Business Tools
- Resourcing
  - Managing Resources
- Creating
  - Value Creation
- Competing
  - Markets and Globalization

**TAILOR YOUR PATH**
Meet your professional learning objectives by selecting courses from one of our 3 options:
- Finance
- Business Analytics
- Global Strategy & Leadership

**BROADEN YOUR HORIZONS THROUGH THIS LIFE-CHANGING EXPERIENCE**
10-Day International Study Trip
At the end of the second year, all students travel together to an international destination that will expand their global understanding of business through company visits and networking events.

**FINAL INTEGRATIVE PAPER**
During the final year and under the supervision of a faculty member, students will work independently to write a paper. This project provides students with the opportunity to apply their knowledge and key learnings from course work to an actual business issue. It will help develop a holistic understanding of how organizations work and how different functional areas complement and, at times, potentially conflict with one another.

The Final Integrative Paper is intended to provide a hands-on and practical learning experience. Students have the opportunity to examine real-world business topics, including those that apply to their current position in an organization.

**THREE CHOICES**
- Consulting Project with your Organization as the Client
- Practicum - Creating a Business Plan
- Applied Research Project

**DID YOU KNOW?**
McGILL DOBSON CENTRE FOR ENTREPRENEURSHIP
 Ranked 8th in the world, the Dobson Centre is the hub for entrepreneurial activities within the University, engaging the McGill community through entrepreneurial education, workshops, speaker events, advising, competitions and several other initiatives.

*UBI Global, 2018 - World Top Business Incubator – Managed by a University category.*

CEO SPEAKER SERIES
These events are held regularly with industry leaders who share their insights on a wide range of topics. MBA students also have the chance to meet in a small group setting with the various speakers for an open discussion on a broad array of subjects. CEOs and business leaders are regularly invited to classes as part of the integrated learning experience.
