

SIMPLE Steps to participate in MCCHE-PSC-John Hopkins BRIDGE Webinar

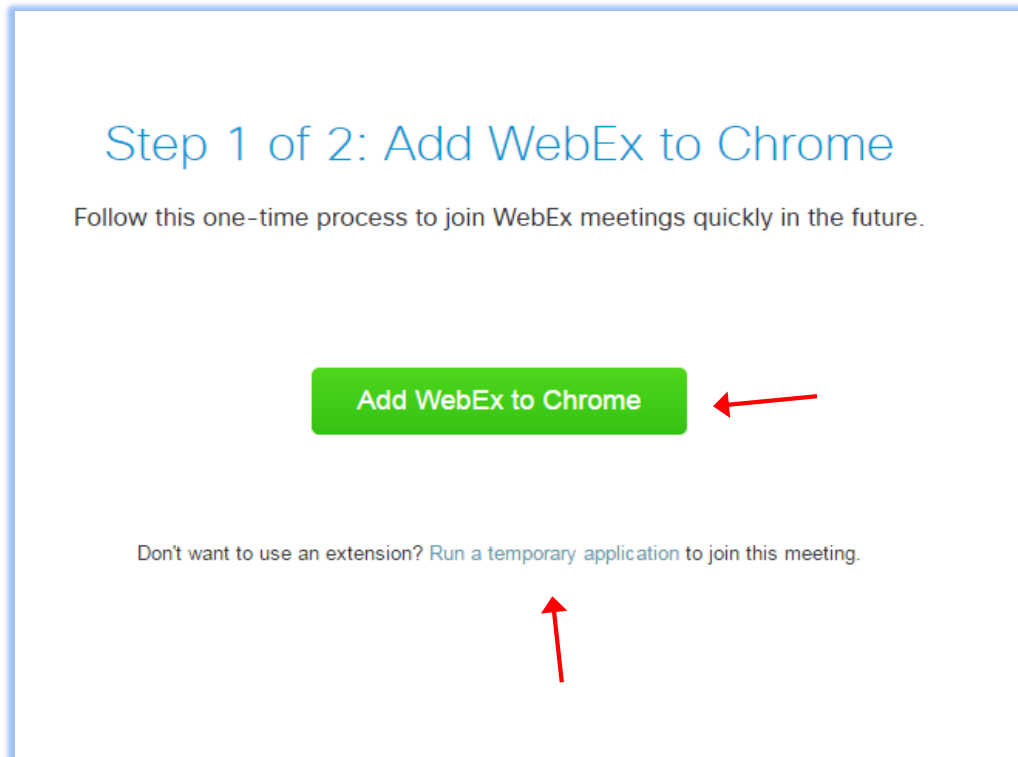

(Please read before the webinar)

1. Sign in as a guest on the right by filling in your **email** and **display name**

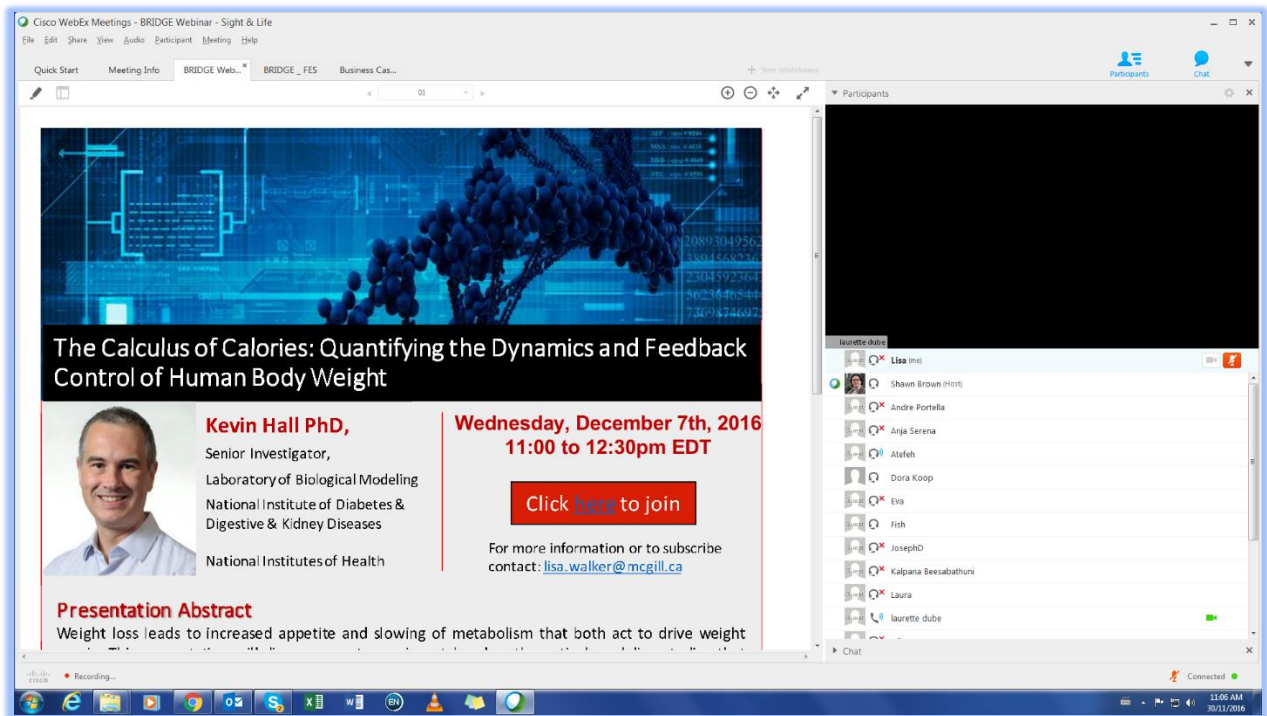

2. **Run a temporary application** or add **WebEx to Chrome** for future webinars

- When in doubt choose "run temporary application"
- When the temporary application is done downloading, click "**Run**"

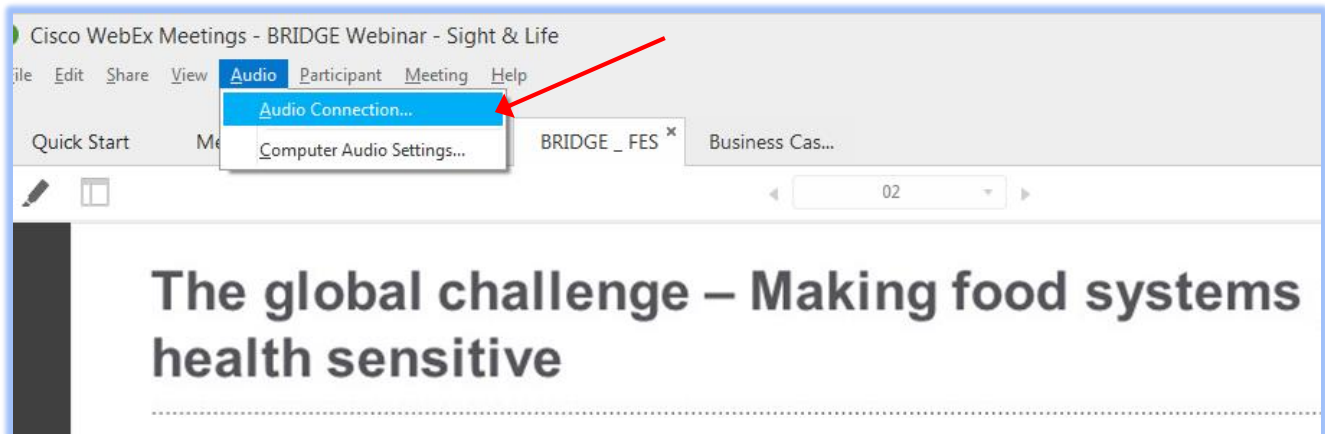

This will open up the *WebEx Window*
(Your name will appear on the right)

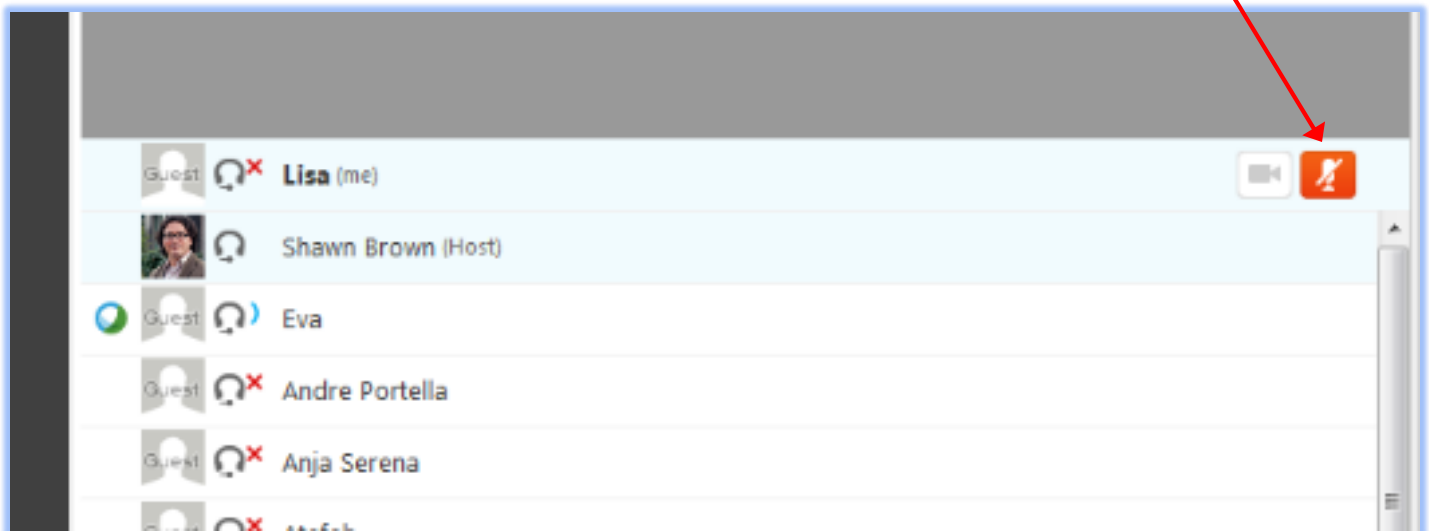

3. Click **Audio** in top left corner & **audio connection**

- Choose headphones (or phone of preferred)

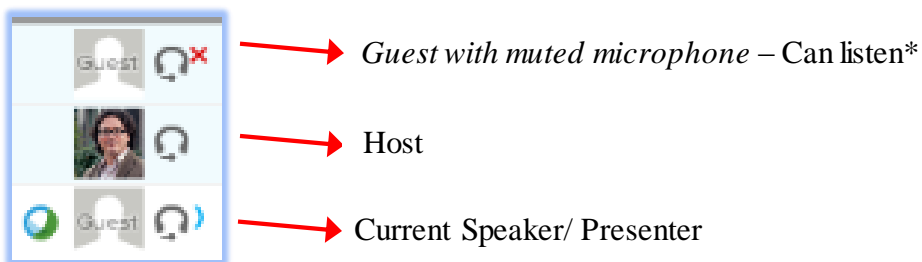

- 4. PLEASE mute your microphone during the entire presentation** – Background noise during the speaker’s presentation can be very disrupting and distracting for all participants. Kindly mute your microphone until the presentation has ended and the discussion period begins.

Click the microphone to Mute !
