SCAVENGER HUNT QUESTIONS/CLUES - WEEK 3

1. What shape is set into the floor next to Leacock 132, and what dissects it?
   INFO: This is the original site of the McGill Observatory; the diagonal line points to true North.

2. PHOTO BELOW: In the spirit of Jeopardy!, identify the building this is attached to, and give its address (answer as a question).
   (Hint: Look on Peel Street).

3. Who laid the cornerstone for the Redpath Library Building? (Hint: There is a plaque!)
