

## A New Year and new beginnings!

**If it's your first term: Welcome to McGill! And if you're a returning student: Welcome back!**

Here are a few tips to help you start the term right:

- The course Add/Drop deadline is Tuesday, January 22.
- Have questions about your courses? Seek out your faculty or departmental advisor, or - if you're an exchange student - see an Advisor at Service Point.
- Check your immigration documents for expiry dates (and take steps to renew if necessary).
- Check out the ISS' [list of workshops and webinars](#) for this term.

Best wishes for a happy, healthy, and successful 2019!
