Proudly bilingual, rigorously pluralistic, the McGill BCL/LLB program broke the mold for legal education in our fast-paced, globalized world. Our students learn legal concepts comparatively – through the lens of the common law and the civil law – with Indigenous legal traditions and perspectives from legal traditions the world over incorporated into our unique approach to teaching law.

Wherever you are headed, McGill will take you there.

If you come to McGill and dive right into it, embrace this radical idea of legal pluralism, and transsystemia, you are setting yourself up for a lifetime of broadened horizons in Law. You are making yourself incredibly agile, and adaptable, through the permanent sense of intellectual curiosity that McGill fosters. ”

David Sandomierski, Class of 2008, Former clerk to the Chief Justice, Assistant Professor at Western University’s Faculty of Law
