

- We continue our ever-popular bridge program. We rejected the idea of playing bridge in association with MURA due to space and other constraints. However, we have invited players not belonging to MAUT-RS, including spouses.
- We had a very successful lunch get together which was done in collaboration with MURA in the fall of last year. Our colleague Hal Waller talked to us 'about' the impending Presidential elections to the South of us.
- We are in the process of planning our very successful luncheon get-together this spring both in the main campus and the Mac Campus.
- We will soon have an outing in the spring; work in this regard is in progress.

Respectfully submitted

Gowri
