

The MAUT-RS embarked on an ambitious plan of creating an universal retiree association for all McGill employees in the late Fall of 2011. Most of you probably know of the creation of MURA, McGill University Retirees Association, in 2014. We have ever since been working on means to ensure sustained funding for MURA to ensure its long term survival. I am happy to note that recently MAUT and MURA have concluded an agreement that will formalize funding for MURA and at the same time ensure the existence of MAUT-RS. This agreement is expected to be formally signed after the SGM of 2018. MAUT-RS has been activities as usual for its members and quite often has been inviting members of MURA also.

Respectfully submitted

GowriSankaran

Chair, MAUT-RS
