1. Since Sept 1 2017 there has been a net increase in MAUT membership of 20 members. As of April 13, 2018, we have a total of 1,124 members in all categories.

2. Welcome to Jo-Anne Watier, MAUT's new Membership Engagement Officer started in August 2017.
   - organizing databases of members and prospective members
   - participating in Membership and Communications activities
   - attending our social and information events and assessing strengths and weaknesses
   - developing communications strategies for recruitment and member engagement
   - integrating into and supporting the overall activities of the MAUT office

   The Membership Committee and MAUT staff are delighted with Jo-Anne's energy, expertise, creativity and team-playing spirit. We believe that her efforts will lead to further, and larger, net increases in MAUT membership from year to year.

3. Social Events: We have developed a slate of social/informational events with fairly steady year-to-year attendance.

   Attendees are pleased with these events. They are recognized as high-quality events and there is a positive atmosphere overall, and a real family atmosphere at many events, with significant attendance of children. Young academic staff with young children are a key recruitment/retention demographic for MAUT.

4. Thanks to Honore Kerwin-Borrelli, MAUT's Administrative Officer and Joseph Varga, MAUT's Professional & Legal Officer for their continued outstanding contributions to the Membership Committee's work and activities. Also to MAUT Exec and Council for their support of the Membership Committee and for all their efforts on behalf of McGill's academic staff. To paraphrase Winston Churchill, *Never was so much owed by so many to so few...*
