

2<sup>nd</sup> Annual Mechanical Engineering

# GRADUATE RESEARCH SHOWCASE 2017

**7 – 8 March 2017**

The Graduate Association of Mechanical Engineering Students at McGill University (GAMES-McGill) is celebrating National Engineering Month this March through a Graduate Research Showcase. This academic showcase, with two mini-symposia (poster and oral presentations), will highlight the multi-disciplinary research being conducted in Mechanical Engineering by its graduate students and post-doctoral fellows.

The Call for Abstracts has been distributed. If interested in participating in the Research Showcase, please fill out the Abstracts Application Form, and email it directly to [games.pgss@mail.mcgill.ca](mailto:games.pgss@mail.mcgill.ca).
