

**McGill**

Ingram School of Nursing

## **ESSAY QUESTIONS**

For

### **DIRECT-ENTRY MASTER'S PROGRAM**

### **APPLICANTS**

#### **Written work:**

The answer to questions **below** will help us to better understand your interests, and past experiences. Your responses may be as long as required to answer the questions. In the past, applicants have submitted a total of 2-3 typewritten single-spaced pages. Please answer the questions on a separate sheet of paper.

#### **ALL APPLICANTS**

1. Describe your interest in nursing.
  - 1.1 Describe your reasons for wishing to begin graduate studies in nursing at this time at McGill.

#### **CANADIAN AND AMERICAN APPLICANTS ONLY**

2. Describe one strength in the Quebec/Canadian health system that fosters the delivery of effective nursing care. How do you feel the nursing profession contributes to the continuing enhancement of the Quebec/Canadian health system?

#### **ALL APPLICANTS**

3. Describe your interest in the health field and how you came to consider nursing as a career choice.
4. Describe your experiences working with people, and your experiences with the health care system.
5. Relate briefly, your most stressful life experience. Describe how you responded to it.
