Clinical Instructor Position for the Ingram School of Nursing, McGill University

NUR1 434 Nursing in Illness Summer 2020

Year 2 Bachelor of Nursing (Integrated) Program

Location: Critical Care and High Acuity units in hospitals (e.g., McGill University Health Centre, St. Mary’s Hospital, Jewish General Hospital)
Teacher Orientation: May 1, 2020
Start Date/End Date: May 1, 2020 to June 12, 2020
Format: Critical Care clinical stream. Students will be placed in a critical care practicum over the period of 6 weeks. Concurrently, the students will be working on a Quality Improvement project. The student group will be separated into 2 cohorts. One cohort will be in a clinical practicum on Tuesday-Wednesday and the second cohort will be in a clinical practicum on Thursday-Friday. Clinical instructors (CIs) will provide supervision to the first and second cohort of students on their respective clinical practicum days. Instructors will be assigned to clinical settings based on their experience and preference.

Clinical Placement Details:
Critical Care Stream: Days/evenings, 8 hour shifts, Tuesdays through Fridays (or split contract)* in clinical setting. The ratio will be 1 CI:6 students; the 6 students may not be on the same unit, but will be in the same hospital, e.g. 4 students in ICU and 2 students in ER.
*potential exists to apply for a split contract for 2 days a week, either Tuesday-Wednesday, or Thursday-Friday.

Hours paid: 216h (108 hours if split contract)

Date posted (DD/MM/YYYY): 04/02/2020

Applications for this course will be accepted until (DD/MM/YYYY): 19/02/2020*
* in the event positions are available beyond this date, applications will continue to be accepted

Role Expectations:

Critical care stream:
• Teaches and directly supervises a group of 6 students in fulfilling the course objectives related to critical care clinical, including patient selection.
• Supports student learning by assessing the student’s learning style and utilizing appropriate teaching strategies.
• Organizes and leads group clinical conferences once a week.
• Provides formative and summative evaluation to students including documenting the students’ learning throughout the course.
• Communicates with the course coordinator about any concerns related to student learning.
• Works with the clinical unit leadership to promote the best student learning experience possible.
• Accesses MyCourses regularly and communicates with students by email as necessary.

Qualifications/ Requirements:
• Baccalaureate degree in Nursing; Master’s degree an asset
• Previous teaching (including preceptorship) experience an asset
• Active registration with OIIQ
• Valid N95 mask fitting
• Completed Hand Hygiene module preferred (otherwise, must be done upon hiring)
• Up-to-date vaccinations
• Experience in Critical Care and/or High Acuity nursing an asset (ICU, CCU, ED or other)
• Keen sense of inquiry and ability to critically reflect on their practice
• A willingness and ability to facilitate student learning
