Academic Standing

I have a CGPA of at least 2.0 after my last term and am in satisfactory academic standing.

You will retain your pre-McGill advanced standing (a maximum of 30 credits for A-levels, IB, French Baccalaureate, CEGEP, AP exam; a maximum of 60 credits for university transfers)

You will retain a maximum of 30 credits of non-Arts or Science courses completed under your previous Faculty. If you transfer from the B.A. & Sc. degree or the B.Sc. degree, you will be permitted to transfer a maximum of 12 non-Arts or Science courses.

You will retain credit for all Arts and Science courses completed under your previous Faculty.

My CGPA is below 2.0 after my last term at McGill. I have reviewed my transfer options:

OPTION 1

Re-start your CGPA; i.e. a fresh start in Arts. With the exception of any advanced standing granted at the time of your original admission to McGill, all courses completed at McGill or elsewhere, including Arts courses, will be excluded from the credit totals and the GPA calculations. The code “EXC” will be added to all courses completed while you were in your previous degree.

OPTION 2

Keep your CGPA and all credits completed, including Arts and non-Arts courses (up to 30 credits non-Arts or Science courses or 12 non-Arts or Science courses if you transfer from the B.A. &
Sc. degree or the B.Sc. degree). Any advanced standing granted at the time of your original admission to McGill will remain. The CGPA from your previous degree will continue into your BA degree.

**OPTION 3**

Keep your CGPA and all credits completed from Arts-program courses* only, regardless of the grade; however, exclude all completed non-Arts courses. Also, any Arts-program courses* completed at other universities will be permitted as transfer credits toward the BA. Any advanced standing granted at the time of your original admission to McGill will remain.

* Arts-program courses are courses offered by departments in the Faculty of Arts and courses offered by the following Science departments which offer Majors in the BA degree: Computer Science (COMP), Environment (ENVR), Geography (GEOG), Mathematics and Statistics (MATH) and Psychology (PSYC).

**Study Away**

- **If I have been accepted for an exchange/study abroad program through my previous faculty and have accepted their offer to study away, I must set up an advising appointment with the IFT adviser** before accepting the offer of admission to the BA degree as an inter-faculty transfer may impact my ability to participate in the exchange/study abroad program.

- **If I studied away in the academic year or summer term prior to my transfer to Arts, I must contact my previous faculty to ensure that the transfer credits from my summer course(s) will be posted on my transcript even if I have taken Arts courses.**
