Tenure-Track Faculty Position
Open to rank of Associate Professor or Professor
Canada Research Chair Tier 1 in International Nutrition for eligible candidate

Position in Faculty of Agricultural and Environmental Sciences (School of Human Nutrition)

The Canada Research Chair is also open to internal candidates who already hold a tenure-track or tenured faculty position at McGill University.

Position description

Applications are encouraged from scientists working on International Nutrition, particularly with respect to developing nutritional and economic interventions to enable sustainable improvements in nutritional status and health of women and children. The appointee is expected to develop a competitive research program supported by external funding and will participate in undergraduate and graduate teaching in the School of Human Nutrition (http://www.mcgill.ca/nutrition/) within the Faculty of Agricultural and Environmental Sciences (http://www.mcgill.ca/macdonald/).

If the successful candidate satisfies the specific eligibility conditions of the program, the candidate may be supported by the University for nomination to a Tier 1 Canada Research Chair (CRC) in International Nutrition, which provides protected time for research within a full-time academic appointment.

A Tier 1 CRC is a senior chair to be held by a full Professor or an Associate Professor who will earn a senior promotion within two years of acceptance of the award. The eligibility conditions for the CRC chairs are described at http://www.chairs-chaires.gc.ca/program-programme/nomination-mise_en_candidature-eng.aspx#s3.

Job Duties

The position requires the development of a strong externally-funded research program involving the mentoring of graduate and undergraduate students. It will involve teaching courses at the undergraduate and graduate levels, as well as service to the university and scholarly communities. Collaboration in research and teaching is encouraged with others within and external to the University.

Qualifications and Education requirements

Candidates holding a PhD or equivalent in Nutrition or related area with demonstrated research excellence and the potential for high-quality teaching in the broad area of Nutrition are invited to submit
applications. We seek applicants with a history of excellent and impactful publications and success in securing extramural research funding.

Associate Professors who do not satisfy the CRC eligibility criteria for a Tier 1 chair are nonetheless invited to apply for the position.
