Reference #: 16074A-161024

Tenure-Track Faculty Position
Assistant or Associate Professor of Medicine
Canada Research Chair (Tier 2) in Respiratory Medicine for eligible candidate

Faculty of Medicine – Department of Medicine, Meakins-Christie Laboratories

The Canada Research Chair is also open to internal candidates who already hold a tenure-track or tenured faculty position at McGill University.

Position description

The Department of Medicine of McGill University invites applications for a tenure stream position at the rank of Assistant or Associate Professor of Medicine with expertise in the areas of innate immunity, regenerative medicine, or lung cancer, and making use of “omics” or systems biology approaches, is of particular interest.

An attractive start-up package will be provided together with laboratory space in the new state-of-the-art MUHC Research Institute building, which opened in March, 2015. Additional information may be found on the web: www.meakins.mcgill.ca

If the successful candidate satisfies the specific eligibility conditions of the program, the candidate may be supported by the University for nomination for a Tier 2 Canada Research Chair (CRC) in Respiratory Medicine, which provides protected time for research within a full-time academic appointment.

Tier 2 Chairs are for emerging researchers (individuals who are no more than 10 years from having earned their highest degree). Career interruptions (e.g. maternity or parental leave, extended sick leave, clinical training, family care, etc.) will be taken into consideration using the Tier 2 justification process to review the candidate’s eligibility. Potential applicants who are more than 10 years from their highest degree with career interruptions may contact the institution to have their eligibility reviewed through the Tier 2 justification process. The eligibility conditions for the CRCs are described at http://www.chairs-chaires.gc.ca/program-programme/nomination-mise_en_candidature-eng.aspx#s3.

Job Duties

The successful candidate will be expected to lead an innovative world-class research program in applying their skills to respiratory disorders.
The candidate is also expected to be actively involved in all aspects of McGill’s academic mission (research, teaching, supervision of graduate students and involvement in academic and administrative committees).

Qualifications and Education requirements

Applicants must hold a PhD. All candidates should be fluent in English and would benefit from a working knowledge of French.

Candidates who do not satisfy the CRC eligibility criteria for a Tier 2 chair are nonetheless invited to apply for the position.

JOB DETAILS

Job Type: Tenure-track

Rank: Assistant/Associate Professor

Job status: Full-time

Salary: Salary will be commensurate with qualifications and experience

Posting period: Please submit your application within 30 days of the publication of this advertisement.

APPLICATION PROCESS

Applications must be submitted on-line at: http://www.mcgill.ca/medicine-academic/positionsavailable

The following supporting documents are required:

- a cover letter & curriculum vitae (as 1 pdf document)
- statement of research and teaching interests (if including other documents, combine to make 1 pdf)
- the names and contact information of three referees, with one of the referees being the doctoral supervisor.

Internal applicants to the Canada Research Chair need to submit a recent curriculum vitae and a statement of research interests aligned with the designated subject area for the chair.
COMMITMENT TO EQUITY AND DIVERSITY

McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We welcome applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to productively engage with diverse communities.

McGill further recognizes and fairly considers the impact of leaves (e.g., family care or health-related) that may contribute to career interruptions or slowdowns. Candidates are encouraged to signal any leave that affected productivity, and may have had an effect on their career path. This information will be considered to ensure the equitable assessment of the candidate’s record.

McGill implements an employment equity program and encourages members of designated equity groups to self-identify. It further seeks to ensure the equitable treatment and full inclusion of persons with disabilities by striving for the implementation of universal design principles transversally across all facets of the University community, and through accommodation policies and procedures. Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, Professor Angela Campbell, Associate Provost (Equity and Academic Policies) by email or phone at 514-398-1660.

All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.
