McGill Faculty of Medicine Academic Advising Flowchart

Learner Academic Advising

Do I have wellness concerns?

Counselling

Academic difficulty is often caused by personal issues affecting wellness.

Our Wellness Consultants (UGME) provide a safe and confidential space to support learners in resolving personal issues that may be interfering with their wellness and learning. This includes confidential one-on-one counselling, study tips time management skills and strategies.

Please schedule an appointment with our Wellness Consultant

Do I have career questions?

Career Advising

Our UGME Career Advisor provides guidance on matters related to career choice electives, residency applications, and post-residency options.

For more information, please visit the UGME Career Advising website.

Please schedule an appointment with our Career Advisor

Do I need accommodations?

Am I in FMD?

Accommodations

Student Accessibility & Achievement (SAA) provides support if you need exam accommodations.
