Below is the wording of the amendment to the Assessment Policy approved by Senate on January 23, 2013.

APC recommends, for Senate's approval, that Articles 3.4.3 and 8.1.1 be amended as follows:

3.4.3 Students, who for valid documented reasons (such as illness or family tragedy), cannot submit a required Assessment in a Course, on providing satisfactory proof of their inability, may apply in accordance with the Faculty procedures relating to Deferred Assessments for permission to undertake a Deferred Assessment or receive another type of accommodation, provided the application is made within a timeframe that is in accordance with Faculty procedures.

If a student who has been granted permission to write a deferred midterm examination cannot write it for documented reasons, the instructor may accommodate the student in any manner deemed pedagogically appropriate by the instructor, including, but not limited to, increasing the weight of the final examination beyond 75%, notwithstanding article 6.1.3 of this policy.

Students registered for a Deferred Assessment must have access to all the relevant course material.
