5.0 Rationale for revised program

(1) The course BASC 201 has been reviewed and found not to adequately meet the needs and aims of several of the BARSCI programmes. The course will undergo a substantial redesign to better focus it on the interests of a subset of the BARSCI students.

(2) BASC 201 will not be offered in 2010-2011 and the revised version will be introduced in 2011-2012.

(3) BASC 201 will be moved to the list of Complementary Courses since it will no longer be a required course for the B.A. & Sc. degree.

### 10.1 Required Integrative Course

BASC 201, *Arts & Science Integrative Topics* is a required course in the B.A. & Sc., normally taken in U1. It introduces students to a variety of interdisciplinary topics that exemplify the benefits of applying scholarship from Arts and Science to a problem. It also provides students in the degree with a common experience and a reference group.
