6.11.1 Major Concentrations

Below are listed the Arts and Science Major Concentrations available for BA&Sc students. Since the BA&Sc degree requires a certain number of credits in the Arts and in the Sciences, there are special requirements for BA&Sc students. To be counted as an Arts Major Concentration, the program must include at least 30 credits of Arts courses. Similarly, to be counted as a Science Major Concentration, the program must include at least 30 credits of Science courses.

For example, a student completing the 36-credit Humanistic Studies Major Concentration in Arts must complete at least 30 of those credits in Arts courses and at most 6 credits in Science courses.
