```
Reading projects permitting independent study under the guidance of a staff member in the Biology Department specializing in the field of interest.
```

14. Rationale for revised course  
   In accordance with the directive from Faculty re the DMURL, the name has been changed in order to more clearly define the course as a Reading project, and not a Research project. For the same reason, any reference to “research project” has been removed from the original course description.  
   The prerequisites have been changed to reflect the change from a mostly research based project to a reading based project.

15. New Course Description  
   (as it will appear in the Calendar [maximum 50 words]):  
   (N.B. Faculty of Medicine must append complete course outline)  
   Reading projects permitting independent study under the guidance of a staff member in the Biology Department specializing in the field of interest.

16. Old Course Description  
   (may be found in the Calendar or Banner)  
   Research or reading projects permitting independent study under the guidance of a staff member in the Biology Department specializing in the field of interest. A written report is required and a copy must be submitted with the mark to Ms Comeau.
17. Supplementary information to appear in the Calendar in addition to the course description.
Such as: equivalent course(s), contact hours, enrolment limitations, language of instruction etc.
Please enter the information as it should appear in the calendar notes.

(3) (Fall, Winter or Summer) (Prerequisite: BIOL 200 and BIOL 201; or BIOL 215; or permission) Projects must be
arranged individually with a staff member of the Biology Department and a form from Ms Comeau, Room W4/8, Stewart
Building, must be completed to receive credit for the course. A written report is required and a copy must be submitted
with the mark to Ms Comeau.
