TO: Members, Faculty of Science

FROM: Josie D'Amico
Secretary of Faculty

SUBJECT: RESULT OF SCIENCE ELECTION FOR SENATE

In the recent election for Science Senators, the following people were elected:

- Prof. K. Franklin (Psychology)
- Prof. K. GowriSankaran (Mathematics & Statistics)
- Prof. P. Grütter (Physics)
- Prof. L. Hendren (Computer Science)
- Prof. P. Lasko (Biology)
- Prof. R. Sieber (Geography/McGill School of Environment)

The terms will end on August 31, 2011.

Continuing representatives on Senate, and the number of years they have yet to serve are:

- Prof. I. Butler (Chemistry) - two years
- Prof. D. Harpp (Chemistry) - one year
- Prof. T. Moore (Geography) - one year

Congratulations to the newly elected Senators, and thanks to the continuing Senators.
