

BIOL301 (Fall *or* Winter) Cell and Molecular Laboratory

Enrollment in this course is limited. Departmental approval for BIOL 301 (Fall or Winter) must be obtained from the Biology Department by e-mailing anne-marie.sdigu@mcgill.ca prior to register in Minerva. Make sure to include in your e-mail to Ms Sdigu: **student ID number, the semester (Fall or Winter) and two lab day choices (M, T, W or R).**

Prerequisites are strictly enforced:

PHYS102 (or PHYS142), BIOL200, BIOL201 (or ANAT212 or BIOC212), BIOL202;
(BIOL206 recommended).

Content:

One 1-hr lecture and one 6-hr laboratory period per week.
