TO: Members, Faculty of Science

FROM: Josie D’Amico
Secretary of Faculty

SUBJECT: RESULTS OF SCIENCE e-ELECTION FOR SENATE

In the recent e-election for Science Senators, the following people were elected:

Prof. Graham Bell (Biology)
Prof. David Harpp (Chemistry)

The terms will end on August 31, 2015.

Continuing Faculty representatives on Senate, and remaining years to serve, are:

Prof. Gregory Dudek (Computer Science) - one year
Prof. Charles Gale (Physics) - one year
Prof. Peter Grütter (Physics) - two years
Prof. Jacques Hurtubise (Mathematics & Statistics) - one year
Prof. Andrew Hynes (Earth & Planetary Sciences) - two years
Prof. Bruce Lennox (Chemistry) - two years
Prof. Nigel Roulet (Geography) - two years

Congratulations to the newly elected Senators, and a big thank you to the continuing Senators.
