Fall 2019 - SOCI 504 Quantitative Methods 1 (1 position)

Position Type

McGill Teaching Assistantship

Description

Attend all lectures, lead conference sections, hold office hours, grade term papers and/or exams. The T.A. must take responsibility for managing time to accommodate the large amount of grading at the midterm and at the end of term (final and/or term papers).

Work may begin two (2) weeks prior to the commencement of the academic term and may continue two (2) weeks beyond the end of the academic term.

All positions are considered tentative and subject to sufficient enrollment and budget. Note, the department may not be able to fill all the positions advertised.

"McGill University is committed to Equity in Employment".

Qualifications

Familiarity with subject area required. Previous familiarity or ability to learn the basics of the R statistical program and ability to conduct computer labs is strongly preferred. Fluency in spoken and written English, fluency in French an asset.
