2.1 History of the Faculty of Law to 1968

In the spring of 1848 a group of 23 students reading law for the Bar of Quebec petitioned McGill College to grant them formal instruction leading to a degree in law. In their petition they pledged to attend the courses offered by William Badgley, a prominent Montreal advocate and circuit judge, who had since 1844 been giving occasional lectures in law within the Faculty of Arts. In consequence of this request the Board of Governors of McGill formally established a program of instruction in law on July 15, 1848. In 1852 the Governors determined to establish a separate Faculty of Law, and when the new Faculty was formally constituted in 1853, William Badgley was appointed Dean.

Until the early 20th century McGill remained predominantly a Civil law faculty, preparing students for the practising profession in Quebec. Throughout this period her faculty and graduates contributed enormously to scholarship in the Civil Law. A particular loyalty to the Civil Law and the Civil Code can be traced as far back as McGill’s first chancellor and fourth principal, Charles Dewey Day, who was a member of the three-man Commission which drafted the first Civil Code promulgated in 1866.

This excellence in the Civil Law has continued with scholars such as Eugène Lafleur, William de M. Marler, Arnold Wainwright and Louis Baudouin. More recently, McGill has been a focal point for the Revision of the Civil Code.

While the Civil Law has always been preeminent at McGill, as early as 1915 the Faculty began to develop the concept of a national legal education with the appointment of Robert W. Lee of Oxford as Dean. By 1920 the Faculty was offering a three-year B.C.L. Program, a three-year LL.B. Program, and a four-year B.C.L./LL.B. Program for those who wished to practice in another jurisdiction leading to a degree in law. played a leading role in two further initiatives, which reflect McGill's third great academic strength, the establishment of the Institute of Foreign and Comparative Law in 1966, and the re-establishment of the National Program of Legal Education in 1968.

2.2 The National Program since 1968 and the Faculty's New Curriculum

For over 150 years the Faculty has endeavoured to provide a liberal education in law and jurisprudence suitable as a first training for the practice of law. Since 1968, the Faculty has offered a national professional training which qualifies students to proceed to the legal professions not only in Quebec, but also in all other Canadian jurisdictions. The curriculum, while remaining within the Faculty's control, reflects the expectations of the professional corporations. It is constantly under review in order to respond to the present and future needs of legal professionals in Canada, as well as the requirements of those intending to pursue careers in the public and private sectors in which legal training is an asset rather than a formal qualification.

At McGill the study of law is more than a professional training. It has long been acknowledged in the great universities of Europe and North America that the scientific, liberal and independent study of law must have a place as an academic discipline. This means that the university is recognized as an appropriate forum to examine the law as an element of social organization, from critical, historical and comparative perspectives. Scholarship in the law is, in this sense, as essential an element in the life of the Faculty as its role in the training of professionals. Indeed, the two functions are inseparable.

McGill occupies a unique position among Canadian law faculties to pursue its dual mission of educating future professionals and promoting scholarship. The Faculty, quite naturally in the light of its location, has a long tradition of teaching and scholarship in both the English and the French languages. The staff and students have always been drawn from these two linguistic groups. While English has been the primary language of the Faculty, the use of French in the classroom and as a language in daily life is firmly entrenched. Wilfrid Laurier's valedictory address of 1864 was delivered in his mother tongue.

McGill has also long been a meeting ground for Canada's legal traditions, the civil law deriving from the law of France and more remotely from Roman Law, and the English common law. The Faculty's early curriculum vividly demonstrated the richness of the Quebec and indeed the Canadian legal heritage when it laid down for study in the 1850s and 1860s, the Institutes of Justinian, the dominant law of pre-Napoleonic France in the form of the Coutume de Paris and that monument of late eighteenth century English law, the Commentaries of William Blackstone.

The Faculty believes that its program, within which students earn both a B.C.L. and an LL.B. degree, creates an important link between the civil and common law systems as they obtain in Canada. Graduates acquire a number of important advantages. First, the program enables all students to examine, critically, the foundations of both Canadian legal systems. This study contributes significantly to the advancement of legal theory and jurisprudence.

Second, graduates may proceed to the Bars of all the Canadian provinces as well as those of a number of jurisdictions in the United States and elsewhere. Third, the inter-dependence of the modern world means that many legal problems transcend individual legal systems. A knowledge of both the civil law and the common law is therefore an asset. Finally, the comparative and trans-systemic dimension of McGill's program is useful in foreign service, government work, international practice, and law reform, whether in Quebec or other provinces.

McGill's program engages its students and professional staff in the study of law not only as a means for achieving desirable social objectives, but also as an end in itself. The Faculty is confident that its graduates, who are awarded B.C.L. and LL.B. degrees simultaneously, will continue to make special contributions to Canadian public and intellectual life through careers that take many paths, not limited to any particular province or region or to the practice of law.

Since the academic year 1999-2000, students obtain both a civil law (B.C.L.) and common law (LL.B.) degree after completing 105 credits taken over three or four years. Concepts from the two legal systems are presented through an innovative integrated methodology that fosters critical analysis. Students may also add to their basic law program by completing a Minor, Major concentration or Honours program. Joint degrees in management or social work are also possible, and students have opportunities to take part of their legal education abroad.

The New McGill Curriculum

In 1998, the Faculty adopted a creative and challenging new approach to legal education that prepares McGill graduates for careers that increasingly require knowledge of more than one legal system. From the very first year, students are introduced to civil law and common law concepts and encouraged to compare and critically evaluate the two traditions. This dramatic and unique curriculum, which explores the common law and the civil law in an integrated fashion, is entirely different from the “three-plus-one” programs offered by other faculties. McGill's trans-systemic method fosters not only outstanding analytical ability, but also critical reflection and openness to diverse approaches to legal problems.

The structure of the new program ensures that students are well grounded in the fundamental legal concepts of the civil law and the common law, in courses specific to each tradition. The comparative dimension of McGill's curriculum focuses primarily upon the law of obligations (contracts and tort or delict) in which remarkable changes are taking place globally involving complex legal transactions across national borders.

The Faculty emphasizes the mastery of underlying principles in private and public law, with a wealth of courses in legal theory, social analysis, and legal pluralism. McGill's proud tradition of public law teaching and scholarship is also reflected in the wide range of courses offered in Canadian constitutional and administrative law, as well as in international law, where McGill's offerings are unsurpassed.

To complement these basic courses, the Faculty offers, through the Institute of Comparative Law, a number of advanced courses in comparative private law. The trans-systemic character of the program is also reflected in the teaching of federal courses. In the public as well as corporate and mercantile law fields, courses are taught with both private law traditions in view.

2.3 Legal Education at McGill Today

Since 1951 the Faculty has been located in the J.K.L. Ross mansion, a gift to the University of the late J.W. McConnell. The main law complex comprises this fine 19th century mansion, known as Old Chancellor Day Hall, and a six-story building erected in 1966-67 containing classrooms and formerly home of the Law library (financed in large part through the gifts of graduates and other friends of the Faculty). The Nahum Gelber Law Library opened its doors in September 1998. This state-of-the-art facility was funded entirely by donations from Law students, graduates and friends of the Faculty. Two other fine old mansions fronting on Peel Street house the students and staff of the graduate programs and the personnel of two institutes and three research centres: the Institute
and Centre of Air and Space Law; the Institute of Comparative Law; the Centre of Private and Comparative Law; the Centre for Medicine, Ethics and Law and the Centre for Intellectual Property Policy.

As an integral part of a great University the Faculty of Law is deeply committed to the two ideals of the University: teaching and scholarship. Throughout its history McGill has recruited its professors and drawn its students from a wide variety of countries. Today the Faculty counts professors who obtained their initial legal training in several different Canadian provinces. It also boasts professors from the United States, Austria, the Czech Republic, Australia and New Zealand. All contribute to the unique scholarly environment of McGill. Similarly, the over 500 undergraduate students are drawn from all 10 Canadian provinces, several states in the United States and a variety of other countries. What is more, graduates of McGill today pursue their careers around the world.

In recognition of this international dimension of its staff and students, McGill offers two undergraduate degrees pursued simultaneously in a joint program: the B.C.L. (Bachelor of Civil Law) enabling students to seek admission to one of the legal professions in Quebec or to gain a familiarity with the private law systems of continental Europe, and the L.L.B. (Bachelor of Laws) enabling students to seek admission to the legal profession in other Canadian provinces, in the United States, the United Kingdom, Australia and New Zealand.

Studying Canadian law under McGill's program is a unique academic experience. It requires mastery of the private and public law systems of Canada's several jurisdictions, as well as the ability to situate analytical understanding of legal rules in a broader intellectual and social context. The Faculty thus believes that disciplines such as history, social theory, economics, political science and philosophy offer perspectives which inform the study of law. McGill's courses reflect these broader themes in the history and philosophy of law. All students enrol in the first-year course Foundations for an initial exposure to these themes. Later, students may elect from a number of perspectives courses, in which law is studied in its social setting. For this reason, the requirement that all students in the Faculty take a significant number of credits offered within each of the two private law disciplines of the Faculty – the civil law and the common law – is thought to be fundamental to the nature of legal education pursued at McGill.

McGill insists upon the highest standards of learning and scholarship. Many professors have contributed to a comprehensive treatise on Quebec private law; others have produced leading reference works in Corporation Law, Commercial Law, International Law, Maritime Law, Air and Space Law and Constitutional Law. Over the last five years, McGill has placed a considerable number of students as law clerks at the Supreme Court of Canada. Moreover, the Faculty counts today a significant number of professors who have served in the past as law clerks at the Supreme Court.

Excellence at McGill is reflected also in a commitment to offering students the opportunity to pursue elements of their legal education in both the English and French languages. The graduation of students expert in both the Civil Law and the Common Law – the civil law and the common law – is thought to be fundamental to the nature of legal education pursued at McGill. Academic standing of students is determined under a credit system as set out in the Faculty Academic Regulations contained in the Faculty of Law Handbook. This Handbook, given to all students upon registration, contains the detailed Regulations for the McGill Program (copies of the Handbook can be obtained from the Student Affairs Office.) The Faculty is also governed by the University Code of Student Conduct and Disciplinary Procedures. The attention of students is particularly drawn to certain academic requirements. It should be noted that no candidates shall be eligible for degrees granted by the Faculty unless they complete the required number of credits for the same within five years of their first registration in first year, unless they have been granted a leave of absence by the Dean or the Dean’s delegate (Regulation 5) or unless they have been granted permission to pursue their degrees on a part-time basis (Regulation 53).

Moreover, candidates are not permitted to be enrolled concurrently in the programs of the Faculty of Law and a professional training program of any Bar, whether this program consists of a course of lectures or a period of articling (Regulation 4).

Further, full-time attendance at the Faculty obliges candidates to register for no fewer than twelve credits in each term, with the exception of their final term should a lesser number of credits be required for the obtaining of their degree (Regulation 3). Candidates shall not receive credit for any course taken in fulfilment of requirements for any other degree (Regulation 10).

The courses given in every case anticipate at least two hours of directed study for every hour of lecture. In addition, each candidate is obliged to write essays, to attend the seminars, to participate in the Legal Methodology Program, and to fulfill whatever other requirements may be set by the Faculty. It is expected that candidates will devote their whole time to their legal studies and will not undertake other studies during the academic session without prior approval of the Dean or the Dean's delegate.

The Faculty generally follows the University Examination Regulations, and evaluates all students anonymously (Regulations 19 and 22). Examinations and other assignments may be written in either English or French. Examinations are set in the language in which a course is given, but may contain materials in either French or English (Regulation 20).

Students who have not succeeded in passing a session as set out below will be required to withdraw from the Faculty, subject to their right to apply for re-admission to the Faculty (Regulations 49 and 50).

3 Faculty Governance and Academic Regulations

3.1 Faculty Council

As the delegate of the Senate of McGill University, the Faculty Council is the principal academic policy-making body within the Faculty of Law. It has either direct or advisory authority over all matters relating to undergraduate admissions, curriculum, exami-

5 Admission to Undergraduate Programs

In September 1999, the Faculty of Law implemented a number of exciting and significant changes to its programs and curriculum. The reforms affected the structure and content of all undergraduate law programs, including the joint programs (M.B.A./Law and M.S.W./Law).

All correspondence and inquiries should be directed to:

5.1 Admissions Policy and Process

5.1.1 Admissions Policy

Law at McGill is a limited enrolment program and admission is very competitive. Recent experience shows that the number of applications is approximately nine times greater than the number of available places. Each year the Faculty admits approximately 170 new students. Successful applicants are chosen by the Faculty’s Admissions Committee, based on academic records, linguistic abilities, personal statements, extra-curricular and community activities, and letters of reference.

The objective of the Faculty’s admissions policy is to select those applicants best suited to studying law in McGill’s uniquely comparative and bilingual environment. The Admissions Committee appraises the intellectual capacity of applicants, their curiosity about law, and attests to criteria such as social commitment, political insight, leadership skills, ability to work in teams, maturity, and potential for growth through opportunity or adversity.

In addition, applicants must have substantial reading ability in, and aural comprehension of, both English and French.

The Committee seeks to achieve a socially diverse learning community drawn from across Canada and beyond, in which there is a balance of women and men and of English and French speakers, as well as representation of a diversity of career aspirations, backgrounds and life experiences.

5.1.2 Admissions Process

Applications are sent to the Admissions Committee on the basis of the dates they are completed and the strength of the academic record. The Committee is composed of members of the Faculty of Law as well as two or three graduating students. Competitive applications are reviewed by at least two members of the Admissions Committee, Committee members carefully review all documents submitted, and evaluate the candidacy on the admissions criteria described above. Particular attention is paid to personal statements, resumes and letters of reference.

Representatives of the Admissions Committee interview applicants in the CEGEP and mature applicant categories who are regarded as potentially admissible following a review of their file. The Committee may request that other applicants attend an interview. Interviews take place in Montreal or, if travel to Montreal is not possible, by telephone.

The official decision of the Admissions Committee of the Faculty of Law is contained in a letter from the Assistant Dean (External Affairs) that is mailed to the candidate when the decision is made. Decisions of the Admissions Committee are also made available to candidates on the Web at www.mcgill.ca/minerva-students/applicants.

Decisions on individual applications cannot be disclosed over the phone or by Email. Although every effort is made to inform candidates of the decision of the Admissions Committee at the earliest possible date, the process is very labour intensive and extends into July. Final decisions about applicants who have been placed on the wait list may not be made before July or August.

5.2 Programs

5.2.1 The McGill Program

The Faculty of Law offers a unique integrated program, which leads to graduation with both civil law and common law degrees (B.C.L./LL.B.). While the curriculum is described in detail in section 6.1 “The McGill Program”, a brief overview is provided below.

Students are introduced to “trans-systemic” teaching in the first year of the program, where fundamental concepts of the civil law and common law systems are examined within a single course. This unique method of instruction fosters outstanding analytical ability, critical reflection and openness to diverse approaches to legal problems. McGill’s program requires students to complete 105 credits. The majority of students take three and a half to four years to complete the B.C.L./LL.B. program. It is possible, however, to complete the program in three years, by doing work for credit over the summer and by carrying heavier course loads in second and third years.

5.2.2 Advanced Undergraduate Programs

The Integrated B.C.L./LL.B. program is enhanced by three options to broaden perspectives and expertise: the Honours option, the Majors option and the Minors option. Each of these options entails additional credits, rounding out the program to a full four years. In each case, the completed advanced program forms part of the degree designation at graduation.

5.2.3 M.B.A./Law Program

A joint program: Master of Business Administration (M.B.A.) with integrated Bachelor of Civil Law/Bachelor of Laws (B.C.L./LL.B.), is offered by the Faculty of Law and the Faculty of Management. See section 6.5 “M.B.A./Law Program” for details.

5.2.4 Law/M.S.W. Program

A joint program: Master of Social Work (M.S.W.) with integrated Bachelor of Civil Law/Bachelor of Laws (B.C.L./LL.B.), is offered by the Faculty of Law and the School of Social Work. See section 6.6 “M.S.W./Law Program” for details.

5.3 Eligibility

5.3.1 Educational Requirements

Candidates must have a minimum of two years of university studies (60 credits), or a diploma of collegial studies (DCS) from a Quebec College of General and Professional Education (CEGEP), at the time of registration. Students holding a French Baccalaureate are also eligible to apply. Although candidates who have completed 60 credits of university study are eligible to apply to the Faculty of Law, the strength of the pool is such that almost all students admitted in the ‘university’ category have completed an undergraduate degree. Candidates admitted directly from CEGEP or a French Baccalaureate should be aware that Bar Admission requirements in some Canadian provinces and a number of states include studies at the university level prior to commencing studies in law.

5.3.2 Language Requirements

McGill’s integrated program is unique in Canada because of its comparative and bilingual character. All candidates must have substantial reading ability in, and aural comprehension of, both English and French. Since both English and French material will be assigned in first-year courses, students must be able to read complex texts in both languages from the outset of their studies. First-year courses are offered in both English and French. A number of upper-year courses are offered in one language only. While examination questions are set in the language in which a course is given, any examination may contain extensive materials in either French or English. The Faculty’s policy of passive
bilingualism permits students to submit written material, write exams and ask questions in class in either English or French regardless of the language of instruction. Students may also fulfil their Moot Court requirements in either English or French.

Candidates intending to proceed to the Bar of Quebec or the Board of Notaries of Quebec should carefully review section 24.3 “Language Requirements for Professions”. The Charter of the French Language imposes certain mandatory language requirements upon those seeking to practise the profession of Advocate or Notary in Quebec.

5.4 Categories of Applicants

5.4.1 Aboriginal Applicants

Canadian Aboriginal persons are encouraged to apply to the Faculty of Law. An Aboriginal person of registered status is entitled to financial assistance from the federal government for three years of law study at McGill.

Aboriginal applicants who wish to enrol in a summer pre-law program may do so in the Program of Legal Studies for Native People, offered at the College of Law of the University of Saskatchewan, or in Le programme pré-droit, given by the University of Ottawa.

Further information concerning the Program of Legal Studies for Native People may be obtained by writing to:

Information regarding Le programme pré-droit at the University of Ottawa can be obtained by writing to: Le programme pré-droit

5.4.2 Mature Applicants

A mature applicant is defined as an individual who is over 30 years of age at the time of registration and/or who has interrupted his or her formal education for a minimum of five years. Applicants who qualify as mature have to apply in this category. There is no predetermined limit on the number of mature candidates admitted in any year. A mature applicant is normally expected to have completed CEGEP or two years of undergraduate study. Mature applicants who are regarded as potentially admissible following a review of their file are required to attend an interview.

In addition to all post-secondary official transcripts, mature applicants are required to submit a detailed resume of their non-academic experience along with letters of assessment from persons who are familiar with their academic potential. The Admissions Committee is particularly interested in gathering information concerning the applicant’s ability to meet the demands of law studies, to reason and analyze, and to express him-or herself well both orally and in writing.

5.4.3 Applicants Wishing to Pursue Part-time Studies

A candidate may seek permission to pursue studies on a part-time basis, either at the time of admission or while in course. Permission may be granted for the duration of studies, or for a limited period. The student must establish to the satisfaction of the Admissions Committee, if the request is made before admission, or of the Associate Dean (Academic), if made subsequently, that full-time study is impracticable for any of the following reasons.

i) pregnancy;
ii) health problems, physical disabilities;
iii) responsibility for the primary care of others;
iv) financial hardship;
v) other special circumstances.

Applicants seeking admission on a part-time basis must fulfill all the ordinary entrance requirements of the Faculty of Law.

5.4.4 Transfer Students

Students who have successfully completed at least one full year of studies in an undergraduate program at another Canadian Law Faculty may apply for admission as a transfer student. There are, however, a limited number of places available for transfer students. Applications are evaluated on the same criteria as applications to the first year of the B.C.L./LL.B. Program, with particular attention to performance in law studies.

Successful applicants are required to complete a minimum of 75 credits at McGill. The Associate Dean (Academic) determines credit for previous studies. In most cases, transfer students will be required to take the trans-systemic first-year courses Contractual Obligations and Extra-Contractual Obligations/Torts in order to meet the requirements at McGill. Candidates will not receive credit for courses in obligations, contract or tort taken during a first year completed at another faculty. Students who are not in good standing or who have been required to withdraw at the end of their first year at another Canadian law faculty are not eligible to transfer to McGill.

5.4.5 Advanced-Standing Students

Applicants who hold a law degree from a Canadian or foreign university recognized by McGill must apply for admission to the B.C.L./LL.B. program under the advanced standing category, unless applying under the Comité des équivalences category (see section 5.4.8 “Comité des équivalences”). There are, however, a limited number of places available for advanced-standing applicants. Applications are evaluated on the same criteria as applications to the first year of the B.C.L./LL.B. program, with particular attention to performance in law studies.

Successful applicants are required to complete a minimum of 75 credits at McGill and follow the integrated B.C.L./LL.B. program. It is not possible to obtain either the B.C.L. or the LL.B. degree on its own. The Associate Dean (Academic) determines equivalences for previous studies.

5.4.6 Visiting Students (Letters of Permission)

Students who have completed two years of studies at another law faculty who wish, for academic or personal reasons, to spend a term or a year at McGill may be admitted as Visiting Students. In order to be admitted as a Visiting Student, candidates should have completed at least two years of study at another law school and obtained a letter of permission from their home university. The Faculty endeavours to accommodate qualified students who are in good standing in their own faculties, where student numbers at McGill permit. Students from other law faculties seeking admission to McGill as Visiting Students must apply through the Admissions Office. Decisions on applications by Visiting Students are made by the Assistant Dean (Student Affairs). Upon acceptance, the student must arrange an academic program with the Associate Dean (Academic). Courses taken by Visiting Students cannot be credited toward a McGill Law degree.

5.4.7 Special Students

The Faculty permits a limited number of applicants not actively pursuing a law degree to register as Special Students. Students registered in other universities, and candidates not actively pursuing a university degree can apply on this basis to take certain courses within the Faculty. Permission to do so will only be granted to applicants who satisfy the Faculty of their capacity to undertake the study of law, and where sufficient course space is available. Candidates who have been refused admission to degree
programs or who plan to seek admission to the Faculty of Law at McGill as regular students are not eligible for admission as Special Students.

Students registered in another faculty at McGill, who, for exceptional reasons related to their program of study, wish to enroll in a course given in the Faculty of Law, must obtain the permission of the Associate Dean (Academic) and of the Professor giving the course.

Note 1: Courses taken by Special Students cannot be credited toward a McGill law degree. Special students are limited to a maximum of 12 credits per year, 6 per term.

Note 2: The Faculty will not consider applications as "special students" from candidates seeking to fulfill the requirements of the National Committee on Accreditation.

5.4.8 Comité des équivalences

The Faculty will consider applications from candidates seeking to fulfill the requirements of either the Comité des équivalences of the Barreau du Québec or of the Chambre des notaires, in order to practice in Québec. Successful applicants must have the final decision of the Comité des équivalences or the Chambre des notaires in hand prior to registration at McGill.

5.5 Admissions Procedure

Unless they do not have access to the Web, candidates must apply to the B.C.L./LL.B. program online. The online application is accessible through the Faculty of Law Website, at www.mcgill.ca/law. The Web application is available at the beginning of August. In order to avoid processing delays, candidates should carefully read instructions contained in the help sections of the online application. Please contact the Admissions Office at the Faculty of Law if you cannot apply online.

Notices acknowledging receipt of applications are sent by mail and/or by email to the address indicated on the application. If no email address is provided, your acknowledgement notice will be sent by regular mail, within one week of your receipt. Your acknowledgement notice will provide you with your McGill Identification (ID), as well as a password that you can use to log on the Minerva Web site at www.mcgill.ca/minerva-students/applicants. At this Web site, you will have to check the status of your application and, as your supporting documents are received and recorded, you will be able to verify which documents (if any) are missing from your file. Please note that candidates are responsible for checking the status of their application on the Web. During peak periods, there may be a considerable delay between the receipt of a document and the date on which it is recorded in our information system. We kindly ask you to take this delay into consideration in all your communications with the Admissions Office. Applicants who have not received an acknowledgment within a reasonable period of time (four weeks for applicants within Canada), or who do not have access to the Web, are asked to contact the Admissions Office at the Faculty of Law.

The elements of the Application Package are described below. All supporting documents must be provided to the Admissions Office by the deadline indicated in section 5.6 “Application Deadlines.” All supporting documents should be sent by mail to the address indicated in section 3 “Faculty Governance and Academic Regulations” or delivered in person or by courier directly to the Undergraduate Admissions Office of the Faculty of Law. Supporting documents sent by fax or email will not be accepted.

5.5.1 Application Fee

A non-refundable application fee of $60 for CEGEP applicants* and $80 for all other applicants is required to complete an application to the B.C.L./LL.B. program. A credit card (Visa or MasterCard only) is required to complete the online application form. If you cannot pay by credit card please contact the Admissions Office at the Faculty of Law. Fee waivers may be available to those who establish, with documentary evidence, that their financial situation is significantly more precarious than that of most applicants.

* CEGEP applicants are defined as those who have completed a diploma of collegial studies (DCS) from a Quebec College of General and Professional Education (CEGEP) or a French Baccalauréate from a Quebec College.

5.5.2 Language Skills

All applicants to the Faculty of Law must have substantial reading ability in, and aural comprehension of, both English and French. Applicants are asked to indicate how they became proficient in their second language.

Plans are underway to include a French proficiency test in the application process. The test is currently under development and a pilot version is expected to be available for the upcoming (September 2008) admissions cycle.

5.5.3 Personal Statement

Applicants must submit a brief essay (two pages, in English or French) explaining why they are interested in studying law, why at McGill in particular, and how they might contribute to the life of the Faculty.

This essay is extremely important, as it enables Committee members to develop a fuller understanding of the candidate, their suitability for the B.C.L./LL.B. Program, as well as evaluate their quality and clarity of expression. The personal statement also allows the Committee to appraise an applicant’s intellectual curiosity, social commitment, political insight, leadership skills, ability to work in teams, maturity and potential for growth through opportunity or adversity. Candidates are invited to discuss any information about themselves that might assist the Committee in this task. For example, applicants may want to describe their experience as a member of a minority group, or factors which may have made access to a university education difficult. The Faculty seeks to achieve a socially diverse learning community made up of a balance of women and men, English and French speakers, as well as representing different career aspirations, backgrounds, life experiences and geographic origins.

Extenuating Circumstances: Serious medical or personal difficulties may have had an impact on an applicant’s academic performance. If this is the case, the applicant should make reference to these difficulties in his or her personal statement, and provide supporting documentation as appropriate.

Candidates who have applied to the Faculty of Law in previous years are required to submit a new personal statement.

Format: To accelerate the processing of your documents, please indicate your name and McGill Identification (indicated in the acknowledgement notice) at the top right corner of each page.

5.5.4 Résumé

Applicants are required to submit a résumé. It should highlight the applicant’s academic background and achievements, work experience, volunteer and extra-curricular activities, and other significant interests. If a candidate has worked during the school term, the number of hours worked per week should be indicated on the résumé.

Candidates who have applied to the Faculty of Law in previous years are required to submit an updated résumé.

Format: Candidates need not limit the résumé to one page. To accelerate the processing of your document, please indicate your name and McGill Identification (indicated in the acknowledgement notice) at the top right corner of each page.

5.5.5 Official Transcripts

Applicants must ensure that official transcripts for all university studies completed to date and to be completed in the current academic year are forwarded to the Faculty of Law Admissions Office, or submit official transcripts in an envelope sealed by the Office of the Registrar where they were issued. Please note that candidates must submit official transcripts or certified true copies of results obtained in any studies carried out while on exchange unless the marks, as well as the credits, obtained in courses taken...
on exchange are included on transcripts issued by their home university.

Transcripts in a language other than English or French must be accompanied by an English or French translation provided either by the school issuing the transcript or by a certified translator.

Applicants who are currently, or have been, enrolled at a CEGEP must indicate their Permanent Code in their application and submit a student copy of their results, showing marks up to and including the most recent semester completed. McGill will obtain an official transcript electronically from the Quebec Ministry of Education.

McGill University transcripts need not be requested by applicants as the Admissions Office will obtain them directly from the Office of the University Registrar. Please note that the Faculty of Law at McGill does not receive transcripts through LSDAS.

Transfer students should forward the transcript of their winter-term results as soon as they become available. Applications to transfer cannot be considered without these results.

5.5.6 Law School Admission Test (LSAT)
The LSAT is not required for admission to the Faculty of Law at McGill. However, if an applicant has taken or will be taking the LSAT, the score obtained will be reviewed by the Admission Committee as part of its evaluation of a candidacy. Applicants who have taken or will be taking the LSAT exam are required to report the date(s) of sitting(s) and supply their LSAT Identification Number (L + eight digits) in the appropriate places in the Tests Taken section of the online application. Please note that applicants are not required to provide the Faculty of Law with a copy of their score as the Admissions Office accesses this information directly. Failure to supply the information required to obtain an LSAT score will adversely affect chances of admission.

Note: Candidates writing the LSAT are strongly encouraged to do so by December of the year prior to the year for which they seek admission. Candidates who register for the February LSAT risk that, by the time the Committee reviews their application, there will no longer be a place to offer even if the Committee wishes to admit. Please remember, applications are sent to the Admissions Committee on the basis of the dates they are received and completed.

5.5.7 Letters of Recommendation
Applicants are asked to forward two (2) letters of recommendation. Where an applicant is currently a student, references should be from current or recent professors or teachers. Where the applicant is not a student, the references should be from persons familiar with the applicant and able to judge the applicant's academic capacity. Academic references are generally given more weight than professional references. Personal references are not helpful.

Please note that while two letters of reference are required, the file of a candidate who indicates three referees will be considered incomplete until all three letters of reference have been submitted to the Admissions Office.

Format: Letters of reference should be on institutional letterhead whenever possible; if letterhead is not available, the referee should provide a brief explanation. Individuals providing references should sign the letter, enclose it in an envelope, seal the flap of the envelope, and sign their name across the flap. The referee may then return the envelope to the applicant, or forward letters directly to the Admissions Office. Referees should ensure that letters reach the Admissions Office before the application deadline or as soon thereafter as possible. The Law Reference Letter Instruction Form is available at www.mcgill.ca/law-admissions under "supporting documents". Reference letters sent by fax or email will not be accepted.

5.6 Application Deadlines
The online application is available at the beginning of September. Documents must be postmarked or delivered on or before the dates listed below.

The applicant is responsible for ensuring that all supporting documents reach the Admissions Office by the designated deadlines. Missing documentation slows the admissions process since incomplete applications will not be circulated to the Admissions Committee.

For students who entered the Faculty in 2004-2005 or later, these other credits may include up to six non-Law credits. For students who entered the Faculty prior to 2004-2005, these other credits may include up to 12 non-Law credits.

4. Minimum Writing Requirement

All students are required to submit at least one research paper. This requirement may be satisfied by:
   a) writing an essay in a course in which the essay constitutes no less than 75% of the final grade;
   b) writing a term essay under independent supervision, for credit, within the Faculty of Law;
   c) writing an article, note or comment of equivalent substance that is published or accepted for publication in the McGill Law Journal and approved by the Faculty Adviser to that publication.

Papers written jointly do not satisfy this requirement.

6.2 Law/Minor Program

The B.C.L./LL.B. with Minor Program is open to all students enrolled in the Faculty of Law and allows them to graduate with a Minor offered by McGill's Faculties of Arts or Science upon the completion of the requirements for the Minor. In so doing, they must complete 18 credits in addition to the 105 credits needed for the B.C.L./LL.B. program. Since Science Minors are typically 24 credits whereas Arts Minor Concentrations are typically 18 credits, Law students will be allowed to count six credits of a 24 credit Minor towards their Law degree.

Law students should consult the Faculty of Arts and Faculty of Science sections of the Undergraduate Programs Calendar available at www.mcgill.ca/courses to determine the requirements for individual Minor Concentrations.

6.3 Law/Major Concentration Program

The Law/Major Concentration Program is under review. Students should consult the Faculty web site for updates: www.mcgill.ca/law-studies.

6.4 Law/Honours Program

The B.C.L./LL.B. with Honours program is open to students who have completed four terms of study at the Faculty of Law and who, during that time, have maintained a GPA of 3.0. Students must complete 15 credits in addition to the 105 credits required in the B.C.L./LL.B. program. Conditional upon submission and approval of an Honours Thesis, students will be granted a B.C.L./LL.B. with Honours.

6.5 M.B.A./Law Program

A joint M.B.A./Law program is offered by the Desautels Faculty of Management and the Faculty of Law. This joint program provides a small number of students the opportunity to pursue legal and administrative aspects of business. Successful candidates graduate with M.B.A., B.C.L. and LL.B. degrees, a trio that prepares them for careers in private and public enterprise, as well as government service.

6.5.1 Admission

Interested applicants can seek admission to the joint program concurrently, or once they have begun either the B.C.L./LL.B. or M.B.A. programs.

Applicants making concurrent admissions must make separate applications to the Faculty of Law and the Desautels Faculty of Management. Admission to the Faculty of Law is made on the same criteria as though the applicant were applying only to the B.C.L./LL.B. program. Admission to the Desautels Faculty of Management depends upon among other things, the student’s performance on the GMAT. For further information on the M.B.A. program, please consult the Desautels Faculty of Management at: www.mcgill.ca/mba.

6.5.2 Program Sequence

With concurrent admissions, students will undertake a first year of M.B.A. courses only, followed by the B.C.L./LL.B. first-year program. In their third year, such students will complete their required second-year B.C.L./LL.B. courses in combination with electives from law and M.B.A. Remaining required and elective credits in both programs will be completed in subsequent semesters. Students already in the M.B.A. program can apply to the joint program during their first year in which case their program will follow the same pattern as previously described. Students already in the
B.C.L./LL.B. program may apply to the joint program in their first or second year; in either case, they will have to complete their first two years of required B.C.L./LL.B. courses in consecutive years. Students should expect to complete the joint program in four to five years.

6.6 M.S.W./Law Program

McGill's Faculty of Law and School of Social Work offer a joint program enabling students to obtain both the B.C.L./LL.B. degrees and a Master’s in Social Work.

Applicants to the joint M.S.W./B.C.L./LL.B. program must make separate concurrent applications to the School of Social Work and the Faculty of Law. Acceptance into the joint program is dependent on the applicant being admitted to both the School of Social Work for M.S.W. and the Faculty of Law for the B.C.L./LL.B. Admission to the Faculty of Law is made on the same criteria as though the applicant were applying only to the Law program.

Students should note that course requirements for the joint M.S.W./B.C.L./LL.B. programs are currently under review.

6.7 Course Sequences by Year

These regulations set out for each year in the Faculty, the courses which are streamed for that year. All other courses, i.e., courses not indicated by year, may be freely taken in any year after the first, subject to further restrictions and prerequisites which may be imposed from time to time. These rules may be set aside in the case of students authorized to study on a part-time basis, students pursuing approved joint degrees with other Faculties within the University, advanced standing and transfer students.

8. Graduate Programs of Study

### 8.1 Programs Offered

The Faculty of Law offers a range of programs at the graduate level. These include the degrees of Master of Laws (LL.M.) with thesis and non-thesis options, and Doctor of Civil law (D.C.L.), as well as Graduate Certificates.

Students may choose to pursue either the LL.M. or the D.C.L. in the Faculty of Law, the Institute of Air and Space Law (IASL), or the Institute of Comparative Law (ICL). Graduate Certificates may only be completed within either the IASL or the ICL.

The Faculty of Law promotes study and research in private, commercial, international, and public law, as well as legal theory, from the perspectives of diverse legal traditions. In collaboration with the McGill School of Environment, the Faculty offers an LL.M. thesis or non-thesis option in Environment. The Faculty also offers two other options within the LL.M degree, a new cross-disciplinary European Studies Option (ESO) in collaboration with the Faculty of Arts, and a specialization in Bioethics. The D.C.L. degree always involves a substantial thesis.
The Institute of Air and Space Law operates within the Faculty of Law. The Institute offers a curriculum exploring legal issues that arise from international civil aviation and new technologies in space. It provides students with a comprehensive understanding of the legal processes regulating worldwide aerospace activities. The Institute offers a Graduate Certificate in Air and Space Law and the degrees of Master of Laws (LL.M.) with thesis and Doctor of Civil Law (D.C.L.).

The Graduate Certificate in Air and Space Law is a course work program with a limited research and writing requirement. It is particularly appropriate for students with a strong professional orientation who do not wish to write a thesis.

The Institute of Comparative Law operates within the Faculty of Law as a centre of comparative legal studies. It accommodates national, international and transnational studies and encourages openness to diverse legal cultures in teaching and research. The Institute offers a Graduate Certificate in Comparative Law and the degrees of Master of Laws (LL.M.) and of Doctor of Civil Law (D.C.L.).

The Graduate Certificate in Comparative Law provides advanced training in subjects within the scope of the ICL to candidates who do not wish to undertake the Master’s degree. The Graduate Certificate is particularly appropriate for judges, law professors, and legal practitioners from countries undergoing substantial legal reform (such as post-Communist or developing countries) who wish to pursue advanced studies in areas such as civil, commercial, or human rights law.

8.2 Admission Requirements

General

The Faculty of Law Graduate Admissions Committee reviews applications and makes recommendations regarding admission to the Graduate and Postdoctoral Studies Office (GPSO). Final admissions decisions are taken by the Graduate and Postdoctoral Studies Office.

For information and application forms please consult the Faculty Website or write to the Coordinator, Graduate Programs in Law, McGill University at the address in section 1.1 "Location”.

Language Requirement

The language of instruction at McGill is predominantly English; therefore, all graduate students must have a very good knowledge of English. All compulsory graduate courses at the Faculty of Law are taught in English. Some 500 level courses may have compulsory readings in French.

Students have the choice of writing essays, examinations or research papers in either English or French irrespective of the language of instruction except in courses where knowledge of a language is one of the objectives of the course. Graduate students are encouraged to write their thesis in the language of their choice (English and French).

Applicants to graduate studies whose mother tongue is not English and who have not completed a graduate degree from a recognized foreign institution where English is the language of instruction or from a recognized Canadian institution (anglophone or francophone), must submit documented proof of competency in oral and written English. Before acceptance, appropriate exam results must be submitted directly from the TOEFL or IELTS Office. An institutional version of the TOEFL is not acceptable.

Generally, applicants must achieve a minimum TOEFL score of 600 (250 on the computer-based test or 100 on the Internet-based test with each component score not less than 20) or an IELTS score of 6.5 overall band. This is because at McGill, students can write essays, examinations and theses in French, even where the course is taught in English. All students should be aware that the majority of courses in Graduate Programs in Law are taught in English.

For information about the TOEFL, and to register to take the test, see www.toefl.org. For information about the IELTS, see www.ielts.org. There may be a lengthy delay for registration, and the communication of results takes approximately 40 days. For both tests, the official results should be sent directly from the testing institution to Graduate Programs in Law. For the TOEFL, McGill’s institutional code is 0935 and Law’s departmental code is 03. These codes must be provided to TOEFL when requesting a test report form. For the IELTS, applicants must ask for an official report to be sent to Graduate Programs in Law at the above address. For either test, the test must be taken sufficiently early for results to reach McGill no later than March 1 of the year of admission. Application files not completed by that date will not be considered.

French: The ability to speak or read French is an asset but not a necessity. In areas such as the study of private law in the civil tradition or comparative private law, a reading knowledge of French is essential. Applicants should indicate their knowledge of French on the admissions questionnaire; they will be notified if French is essential to the area of study.

Graduate Certificate Programs

The requirements for admission to the Graduate Certificate programs are essentially the same as for the Master’s programs, except that greater weight may be placed on professional experience.

Candidates desiring a Graduate Certificate in Air and Space Law who do not hold a law degree may be admitted if they have earned an undergraduate university degree in another discipline and possess sufficient professional experience to compensate for the lack of a law degree (as determined by the Graduate Admissions Committee).

Master’s Degrees

Candidates for admission to the LL.M. program must hold a Bachelor of Laws (LL.B.) degree, or its equivalent, with at least Upper Second Class honours or the equivalent of 3.0/4.0 cumulative grade point average. This standing does not guarantee admission, however, the Graduate Admissions Committee weighs the entire file, including the applicant’s references and the quality of the research proposal.

Furthermore, in the case of thesis programs, the Committee must consider the availability of a supervisor. If a supervisor is not available in the applicant’s preferred field of study, the applicant may be refused admission or else offered admission pending a change of field of study.

LL.M. Option in Environment: Students who have been admitted to the LL.M. thesis or non-thesis program may apply for admission to this option.

LL.M. Specialization in Bioethics: Requirements for admission to the Master’s program in Bioethics from the base discipline Law, are the same as for admission to the LL.M.

For further information see the bioethics section of the calendar, or contact the Chair, Master’s Specialization in Bioethics, Biomedical Ethics Unit, 3647 Peel Street, Montreal, QC, H3A 1V9. Telephone: (514) 398-6980; Fax: (514) 398-8349; E-mail: kathleen.glass@mcgill.ca.

D.C.L. Degree

Applicants demonstrating outstanding academic ability will be considered for admission to the doctoral program. Admission to the DCL program occurs only when:

a) the candidate has completed a graduate law degree with thesis at McGill or at another university, and
b) the Graduate Admissions Committee is satisfied that the quality of his or her previous research is sufficient to justify admission to a doctoral program.

The latter usually requires review of the completed Master’s thesis. Exceptionally, a candidate with a non-thesis masters’ degree with an outstanding file may be admitted to the doctoral program.

### 8.3 Application Procedures

An application will be considered upon receipt of:

1. application form with $80 application fee payable by credit card and non-refundable;

McGill’s online application form for graduate program candidates is available at [www.mcgill.ca/applying/graduate](http://www.mcgill.ca/applying/graduate). Documents corresponding to numbers 2-5 and 8-9 should be sent to the Coordinator, Graduate Programs in Law, at the address in section 1.1 “Location”.

**Deadline:** February 1 in the year prior to the start of the academic year for which the candidate is applying.

### 8.4 Program Requirements

#### Graduate Certificate in Comparative Law

The Graduate Certificate is awarded after at least one term of residence in the Faculty and upon completion of a minimum of 15 course credits. In every case, the program is structured to meet individual needs and must be approved by the Associate Dean (Graduate Studies).

**Note:** International students must register for at least 12 credits per term in order to satisfy Visa requirements.

#### Graduate Certificate in Air and Space Law

The Graduate Certificate in Air and Space Law is a course work program with a limited research and writing requirement. It is particularly appropriate for students with a strong professional orientation who do not wish to write a thesis.

The Graduate Certificate is awarded after at least one term of residence in the Faculty and upon completion of a minimum of 15 academic credits of law courses. Those credits must include the three Air and Space Law courses obligatory for Master’s students (ASPL 633, ASPL 636, and ASPL 637).

The required courses are offered in the Fall, hence Graduate Certificate students must be in residence during at least one Fall term. The balance of required graduate credits can be obtained either through other IASL courses, Independent Study courses, or any other graduate-level course from the Faculty of Law or in the University or other universities related to the area of concentration, subject to approval by the Associate Dean (Graduate Studies). Students may take courses beyond the minimum of 15 credits, and these additional courses may be non-law courses.

Graduate Certificate students generally remain in residence for both terms and take all of the Air and Space Law courses.

**Note:** International students must register for at least 12 credits per term in order to satisfy Visa requirements.

### MASTER’S DEGREES

There are two LL.M. options in the Faculty of Law or the Institute of Comparative Law: thesis and non-thesis. In each case, the student must complete 45 credits. It is not normally possible to take extra credits. Students pursuing the LL.M. (thesis and non-thesis) in the Faculty must take the following courses: Legal Research Methodology (4 credits) and Theoretical Approaches to Law (4 credits). Students in the Institute of Comparative Law must also take Legal Traditions (4 credits). Other courses are selected from those offered by the Faculty and its Institutes, subject to the approval of the Associate Dean (Graduate Studies) of the Faculty of Law.

Students must register and pay fees for three terms of full-time study. Usually courses are taken during the first two terms only. The third term, devoted to research, may be taken during the Summer session of the first year, if the Thesis or Project supervisor approves. This means that it may be possible to complete the three terms within one calendar year.

#### Thesis Option

The thesis option is suited to students who wish to work on a project of original scholarly research, and are less concerned to take a larger number of taught courses. The thesis topic is normally determined in consultation with the supervisor and must be approved by the Associate Dean (Graduate Studies). The completed thesis is evaluated by the candidate’s supervisor and by an external examiner chosen by the Graduate and Postdoctoral Studies Office. The thesis must show familiarity with work in the field and demonstrate the student’s ability for organizing results and solid, independent analysis.

In the LL.M. (thesis), the work on the thesis is recognized through “thesis courses” of different credit weights, ranging from 30 to 33 credits. The student must therefore take 12 to 15 credits of other courses in order to complete the requirement of 45 credits.

The Master’s Thesis programs consist of a course work component and a thesis of approximately 100 pages. Candidates must remain in residence for three terms. The third term, usually devoted to thesis research, may be taken the Summer of the first year, making it possible to complete residence requirements within one calendar year. If the thesis is not completed in this time, students must register for additional sessions as needed. All degree requirements must be completed within a maximum of three years of the date of first registration.

As part of the course Master’s Thesis 1, a thesis candidate must provide a protocol to his or her supervisor setting out details as to the thesis topic, the deadlines for the completion of the various thesis courses and the schedule of meetings with the thesis supervisor. Modifications to the protocol must be made in writing and submitted to the Associate Dean (Graduate Studies).

#### Non-Thesis Option

The non-thesis option is suited to students who wish to have a wide exposure to a range of taught courses, and are less concerned to have the chance to do a piece of original scholarly research. The non-thesis option does require a substantial Supervised Research Project during the third term of registration.

The LL.M. (non-thesis) includes a Supervised Research Project which counts for 18 credits, although it can be reduced to 15, 16 or 17 if a student wishes to take more taught course credits. The student must therefore take 27 to 30 credits of other courses to meet the requirement of 45 credits.

#### Institute of Air and Space Law

**Master of Laws (LL.M.)**

The student must take at least 18 credits of courses. Normally the student will take the following courses:

- **ASPL 636** (3) Private International Air Law
- **ASPL 633** (3) Public International Air Law
- **ASPL 637** (3) Space Law: General Principles
- **ASPL 632* (3) Comparative Air Law**
- **ASPL 613* (3) Government Regulation of Air Transport**
The LL.M. student must present an acceptable thesis on a subject approved by the Associate Dean (Graduate Studies). Each student's final choice of curriculum is subject to the approval of the Associate Dean (Graduate Studies).

**Thesis Component — Required** (27 credits)

9 General Policies and Information

Further information is published in the General Information section of the Undergraduate Programs Calendar, which may be accessed on the Web at www.mcgill.ca/courses or obtained from the Admissions, Recruitment and Registrar's Office, James Administration Building, 845 Sherbrooke St. West, Montreal, QC, Canada H3A 2T5.

9.1 Authorization, Acknowledgment and Consent

When applying for admission to the University, all students acknowledge that they are bound by and undertake to observe the statutes, rules, regulations, and policies in place from time to time at McGill University and the faculty or faculties in which they are registered, including those policies contained in the University Calendars and related fee documents. Their obligation as a student commences with their registration and terminates in accordance with the University's statutes, regulations, and policies.

Students should verify any information or statement provided as part of their application, realizing that an admission granted based on information in their application or supporting documents that is incorrect or untrue may be revoked at the sole discretion of the University.

9.2 Student Rights and Responsibilities

The Handbook of Student Rights and Responsibilities is published jointly by the Office of the Dean of Students and the University Secretariat. A compendium of regulations and policies governing student rights and responsibilities at McGill, it is distributed to new students at the Dean of Students' Orientation Sessions on both downtown and Macdonald campuses.
9.3 Policy Concerning Access to Records

Statements of account and all other correspondence are sent directly to students who retain full control as to who has access to their records or accounts. (Officers and members of the University staff may also have access to relevant parts of such records for recognized and legitimate use.) No progress report or any other information is sent to parents and/or sponsors unless specifically requested by the student in writing.

In accordance with the Act Respecting Access to Documents held by Public Bodies and the Protection of Personal Information (the "Access Act") personal information, including transcripts of academic records, may be released only with the authorization of the student. When a student applies to McGill, he/she authorizes the University to release certain personal information (name, address, telephone number, e-mail address, date of birth, program and student status) to the persons and bodies listed below.

a. libraries of other Quebec universities with which McGill established reciprocal borrowing agreement (ID number and bar code may also be disclosed to such libraries)
b. the Quebec Ministère de l'Éducation, du Loisir et du Sport (MELS), in order to create, validate and/or modify the student's Permanent Code
c. the appropriate authorities involved with the external or internal funding of the student's fees (financial records may also be disclosed to such authorities)
d. the Association of Universities and Colleges of Canada
e. the Association of Registrars of Universities and Colleges of Canada and the Conférence des recteurs et des principaux des universités du Québec, or the member institutions of these organizations, for the purpose of admissions operations and the production of statistics
f. the school(s) or college(s) which the student attended
g. students and alumni who have volunteered to speak with admitted students
h. the Student Associations recognized by McGill University for the category(ies) of students to which the student belongs
i. the McGill Alumni Association
j. professional bodies or corporations (e.g., engineers, dentists)
k. McGill Network and Communications Services for the purposes of listing the student’s McGill e-mail address in an online e-mail directory.

Students who choose not to authorize the University to disclose personal information to the organizations mentioned above in h, i, j and k must complete and submit an opposition form. The opposition form is available at the Admissions, Recruitment and Registrar's Office.

9.4 E-mail Communication

E-mail is a formal means of communication between McGill University and its students. All students are assigned a McGill e-mail address. They should view and verify their McGill e-mail address on Minerva, under the Personal menu. As with all official University communications, it is the student's responsibility to ensure that time-critical e-mail is accessed, read, and acted upon in a timely fashion. If a student chooses to forward University e-mail to another e-mail mailbox, it is that student's responsibility to ensure that the alternate account is viable.

It is a violation for any user of official McGill e-mail addresses to impersonate a University officer, a member of the faculty, staff or student body, in line with the McGill University "Code of Conduct for Users of McGill Computing Facilities" and relevant federal and provincial legislation.

More information about e-mail procedures is available at www.mcgill.ca/email-policy. E-mail support is provided by IST Customer Services (ICS). Visit www.mcgill.ca/ics/tools/email for more information. Please see section 22 "Information Technology Resources".

9.5 Academic Integrity

Communicating about academic integrity is an essential way to foster it. In submitting work in their courses, students must understand the meaning and consequences of plagiarism and cheating; these are considered to be extremely serious academic offences. Students who have any doubt as to what might be considered plagiarism in preparing an essay or term paper should consult the instructor of the course to obtain appropriate guidelines. There is a student guide to the meaning of plagiarism; students should consult the academic integrity Website at www.mcgill.ca/integrity. Strategies to prevent cheating are also provided on the Integrity Website. The possession or use of unauthorized materials in any test or examination constitutes cheating. Responses on multiple-choice examinations are normally checked by the exam security computer monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple choice exams. Data generated by the exam security computer monitoring program can be used as admissible evidence either to initiate or corroborate an investigation or a charge of cheating under Section 16 of the Code of Student Conduct and Disciplinary Procedures.

The Code of Student Conduct and Disciplinary Procedures includes sections on plagiarism and cheating. The Code is included in the Handbook of Student Rights and Responsibilities, which is available through the academic integrity Website or at www.mcgill.ca/secretariat.

9.6 Proper Use of Computing Facilities

Students are required to comply with the Code of Conduct for Users of McGill Computing Facilities as approved by the University Senate. The Code is published in the Handbook of Student Rights and Responsibilities.

This policy (or code) is also posted on the CIO Website at www.mcgill.ca/cio/e-policies.

9.7 Non-smoking Policy

Quebec law prohibits smoking in public buildings.

9.8 Health Insurance – International Students

By Senate regulation, all students (full-time, part-time, special, exchange and visiting) and their accompanying dependants who do not have Canadian citizenship or Permanent Resident status must participate in the University's compulsory sickness and accident plan. For enrolment procedures and details on the health insurance plan, students should consult the International Student Services Website. For information concerning rates, see section 12.5 "Other Fees".

All inquiries related to this University policy must be directed to International Student Services.

9.9 Health Insurance – Canadian Residents

Canadian students from outside the province of Quebec should check with their own provincial Medicare office to ensure the validity of their health coverage while studying at McGill.

Canadian students who have been living abroad may not be eligible for provincial health insurance coverage. To ensure adequate health insurance coverage, you may enroll in the group plan offered through International Student Services.

All undergraduate students who pay tuition fees at either the Canadian or Quebec rates and who are members of the Students' Society of McGill University (SSMU) or the MacDonald Campus Students' Society (MCSS) are automatically covered by the Students' Society's Health and Dental Plans. For details on fees, Change-of-Coverage dates and on what is covered by the plans,
please refer to the information contained on the Web at www.aseq.com. If you're not sure of your eligibility, please contact ASEQ, at (514) 789-8775.

9.10 Special Medical Needs

Students who have particular medical needs are requested to have their physician submit appropriate information on a confidential basis to the Student Health Service; see section 20 "Student Services".

9.11 Minerva

Minerva is McGill's Web-based information system serving students, staff and faculty. Students view class schedules, including course descriptions and spaces available in course sections, register and make course changes using Minerva at www.mcgill.ca/minerva. Some of the other options available to students on Minerva include viewing their unofficial transcript and degree evaluation reports; viewing their Permanent Code, citizenship and Quebec residency status and fee information; updating their personal information such as address, telephone number and emergency contacts; for some faculties, changing their major or minor; applying to graduate and viewing their graduation status; viewing their McGill log-in information to access the Internet and e-mail; ordering official transcripts; retrieving tax receipts; submitting an on-line course evaluation; applying to McGill and viewing their application status.

9.12 myMcGill

Launched in April, 2006, myMcGill is McGill's own Web portal, giving students a personalized and integrated interface to McGill's information systems. Currently, each McGill system (e.g. Minerva, WebCT, Library and Email) has its own login ID and password. Via a Single-Sign-On (SSO), myMcGill provides users with the advantage of accessing these systems without being prompted for additional or subsequent logins. It also provides direct (one click) access to functions within the back end systems without having to go to the front screen of these systems and navigate through multiple menus. Portlets include direct links to Minerva student information, personalized course list with links to WebCT Vista, student society links, and athletics. To log into myMcGill go to: http://my.mcgill.ca or from the McGill homepage (www.mcgill.ca), click on the myMcGill tab at the top right hand corner of the page.

10 Personal Information

10.1 Updating Personal Information

It is important that all students keep their official records up to date, especially their mailing or student billing address as these are used by the University year round. If all addresses on file are invalid or incomplete, a student's mail will be held. Once the addresses are updated, future mail will be sent.

Students must update their addresses and/or telephone number and emergency contact information using Minerva -> Personal Menu.

Students who are away from campus and do not have access to the Internet may make the changes by writing to their Student Affairs Office or to the Admissions, Recruitment and Registrar's Office. A written request must include the student's signature.

Changes requiring verification of official documents, e.g., change of name or citizenship or correction of birth date, must be reported to the Admissions, Recruitment and Registrar’s Office as soon as possible. Such changes can only be made in person at the ARR Service Centre, James Administration Building, Room 205. Macdonald campus students can request changes in person at the Student Affairs Office, Laird Hall, Room 106.

10.2 Legal Documents

10.2.1 Why Do We Collect Legal Documents from You?

Your tuition fees at McGill will vary according to whether you are a Quebec student, a Canadian out-of-province student, or an international student, as per section 10.2.2 "What Documents Do We Need from You?" Fee schedules are listed in section 12 "Fees".

Some of the documents we ask from you help us obtain your Permanent Code from the government of Quebec. This code is obligatory, and is needed to comply with government legislation. The consequences of a missing Permanent Code are severe for the university, as the government funding for that student will be withheld. Furthermore, the university is subject to an annual audit by the Ministry of Education to ensure that our document collection and fee assessment processes are accurate.

If you have previously attended school in Quebec you already possess a Permanent Code - you can see it on your school report card or your CEGEP or university transcript. Students can also check if McGill has received their Permanent Code after they have accepted the University's offer of admission on Minerva under the Personal menu.

Students can consult their citizenship and Quebec residency status on Minerva. Select Student Menu -> Student Accounts Menu -> View your Tuition and Legal Status.

10.2.2 What Documents Do We Need from You?

Follow instructions in the first row of this table that applies to you. Send clear, legible copies of documents (not originals).

• Photo page of your passport and the page stamped by Citizenship and Immigration Canada at your port of entry  
• Permanent Code Data Form (note 2 & 6) |

| You will be in Canada for more than 6 months (i.e. for two or more consecutive academic semesters) | • Certificate of Acceptance of Quebec (CAQ)  
• Permanent Code Data Form (note 2 & 6)  
• Study Permit issued by Immigration Canada (note 4) |

**Note 1:** You may alternatively supply your Quebec baptismal certificate if it was issued prior to January 1, 1994 and clearly shows where you were born and that your baptism occurred no more than 4 months after your birth.

**Note 2:** Permanent Code Data Form (signed) is usually required. If the names of your parents appear on your birth certificate, or if you have already provided us with your Permanent Code, you do not need to supply this form.

**Note 3:** Proof of Permanent Resident status can be proved by an IMM 5292 document together with the Permanent Resident card (copy of both sides required). Alternatively, you may provide the IMM 1000 document along with the PR card (copy of both sides required).

**Note 4:** If you are a refugee, you should instead provide your Convention Refugee status document.

**Note 5:** Usually we need your birth certificate to prove your place of birth in Quebec. If you already have a valid MELS Permanent Code, but we are still showing you as being charged Canadian fees, we will accept a Canadian passport that shows your birth in Quebec as proof that you qualify for Quebec residency.

**Note 6:** The links to download and print the Permanent Code Data and Attestation of Quebec Residency forms can be found at www.mcgill.ca/student-records/documents.

**Fee Exemptions**
Exemptions from International Tuition Fees may be claimed by students in certain categories. As well, both international and non-Quebec Canadian students or permanent residents in certain language programs leading to a degree in French may be eligible for a fee exemption from international or non-Quebec Canadian rate. Please note that the list of language programs is limited and subject to change by the Ministère de l'Éducation, du Loisir et du Sport. Students, if eligible for one of the exemption categories, are then assessed at the Quebec student rate. A list of categories and the required application forms are available at www.mcgill.ca/student-records/fees/exemption and also at the Admissions, Recruitment and Registrar's Office where the application forms must be submitted. An exemption will not be granted unless the application form is submitted.

**10.2.3 Have We Received Your Documents?**

**Quebec/Canadian/International Fees**

It usually takes us about a week to receive and record your documents.

- Check your tuition status on Minerva student accounts menu: Student Menu->Student Accounts Menu->View your Tuition and Legal Status.
- Check the phrase: Fees currently calculated according to rules for... This will tell you if you are assessed as: International student, Canadian student, or a Quebec student.
- The University has implemented e-billing as of the 2005-2006 academic year. A paper fee statement will no longer be mailed via Canada Post. For more information please refer to the following Website: www.mcgill.ca/student-accounts/e-bill.

If you do not agree with the assessment, notify us right away. We cannot accept changes or offer you a lower tuition rate after the last day of classes at the end of the term, as the government does not allow us to amend our files at that point.

**Permanent Code**

It can take anywhere from one week to four weeks for the Ministry to verify or issue your Permanent Code.

Check your Permanent Code on Minerva: Personal Menu -> Name Change Form or alternately on the student accounts menu: Student Menu->Student Accounts Menu->View your Tuition and Legal Status. If the Permanent Code number appears there, your documents are in order. If not, you have not yet provided us with your documents listed above or we have not yet received confirmation from the Ministry that your documents are sufficient for creation of a Permanent Code.

**10.2.4 What Are the Consequences of Not Providing Your Documents?**

All proofs of citizenship, requests for Quebec residency, international fee exemption, and immigration status changes must be received by the end of the last day of classes of a current term to take effect for that term. All documents received after that date will be updated and lower your fees for the following term only.

We cannot issue you an ID card without having received your documents. Your ID card is essential to use many services on campus, and to sit for your final exams.

If your Permanent Code has not been issued by October 15 (Fall term) or February 15 (Winter term) we will put a hold on your record, which will prevent you from registering or dropping any courses, and will prevent you from obtaining your official transcript, until our record has been put in order. For students in short programs, this action may be taken earlier in the term.

Should your tuition status be reduced as a result of the document review process, any late payment or interest charges accumulated on the difference will also be waived.

**10.2.5 Where Do I Send my Documents?**

Send in all your documents after you have been accepted to McGill and before you arrive on campus. Do not send us originals. Please fax or mail a clear and legible photocopy. Write your McGill ID on the documents so that we can match them to your record. The sooner you submit your documents, the sooner we can update your status and ensure that your record is in order.

**By E-mail:**

You may submit your legal documents electronically by following these steps:

1. **Save the attached file in an accepted format:**
   - Standard PDF (.pdf)
   - Tagged image format (.tif, .tiff; for scans)

   (Due to the possibility of malicious content, Microsoft Word Documents (.doc), Hypertext files (.htm, .html) or any other format will not be accepted. Do save in an accepted format and do not just rename the file extension.)

2. **Ensure that the resolution used is no less than 300 dpi** for an electronic replica (scan) of documentation (e.g., scan of your birth certificate). Preferred file size is 100Kb per image.

3. **Address your email to legaldocumentation@mcgill.ca and attach your relevant scanned document(s).** Files should be sent as attachments to your E-mail and not as part of the E-mail body.

4. **Put your First Name, Last Name, and McGill ID number in the subject line of your E-mail.**

   **Note:** Individual E-mail size (including your attachments) should not exceed 5 MB (5120 KB).

5. International passport (for Canadians, a Canadian citizenship card is required. Note that a Canadian passport is not acceptable).
6. Letter from the International Students' consulate or embassy in Canada.
7. Marriage certificate issued outside of Quebec* (translated into English or French by a sworn officer if in another language).

In the case of a variation in the spelling of the name among these documents, the University will use the name on the document that appears first on the above list.

Note: This is the name that will appear on the student's degree, diploma or certificate on graduation, and on the student's transcript, and used by the Ministère de l'Éducation, du Loisir et du Sport (MELS) to create a Permanent Code.

* Quebec marriage certificates are only acceptable if issued prior to 1984.

10.5 Verification of Name

Students should verify the accuracy of their name on McGill’s student records via Minerva and make any necessary corrections to formatting, e.g., upper/lower case letters, accents and spacing, using the Minerva Name Change Form under the Personal Menu. Students cannot change the name on their record via Minerva. Requests for such changes must be made by presenting official documents (see section 10.4 “Legal Name”) in person at the Admissions, Recruitment and Registrar's Office, James Administration Building, Room 205.

11 Registration and Commencement of Classes

11.1 Commencement of Classes

In the 2007-08 academic year, lectures in all years will begin on Tuesday, September 4. Students in the Faculty of Law should consult Registration Materials available on the following Website: www.mcgill.ca/law-studies.

11.2 Registration

New Students
All first-year students and all new students in the Faculty of Law must initiate registration on the Web by adding the registration course REGN-RCLW on Minerva at www.mcgill.ca/minerva. The registration period for new Law students for the 2007-08 academic year commences Tuesday, July 17, and ends Tuesday, September 4, 2007.
All first-year students and new students must present themselves at the Faculty of Law on Friday, August 31, 2007 to complete their registration. Welcoming of new students will follow registration.

Returning Students
At the end of the winter term students in upper years are required to register by Minerva indicating their course selections for the next academic year. This will be considered formal registration, replacing any further registration requirements. Refer to www.mcgill.ca/student-records to confirm the registration dates.

11.2.1 Late Registration
Students who fail to register during the normal registration period may do so within the period designated by the University for late registration. They will be assessed a late registration fee as listed below:

Returning Students: May register late from Wednesday, August 1 until and including Tuesday, September 4 with the payment of a late registration fee of $50 ($20 for Special Students).

New and Returning Students (Fall): Students may register late via Minerva from Wednesday, September 5 until Tuesday, September 18 with the payment of a late registration fee of $100 ($40 for Special Students).

New and Readmitted Students (Winter): May register late via Minerva from Friday, January 4 until Tuesday, January 15 with the payment of a late registration fee of $100 ($40 for Special Students).

Special Late Registration: Students whose records are not available for registration on-line during the late registration period, usually due to late admission, may receive special permission to register in person. This information is included with their letter of acceptance.

11.3 Class Schedule
The Class Schedule for the upcoming Fall and Winter terms normally becomes available in mid-March at www.mcgill.ca/courses. (The Summer term schedule is normally made available in January.)

The Class Schedule includes the days and times when courses are offered, class locations, names of instructors, and informational remarks and comments. The calendar entries of scheduled courses can be accessed by clicking on the CRN (course reference number) that appears with each course section shown.

It is the responsibility of all students to consult the Class Schedule at the time of registration, and again before classes begin, to ensure that changes have not resulted in conflicts in their schedule.

11.4 Course Information and Regulations

11.4.1 Course Numbering
Each McGill course is assigned a unique seven-character course "number".

The first four characters (Subject Code) refer to the unit offering the course. These codes were implemented in September 2002, replacing the three-number Teaching Unit Codes previously used. A complete list of Teaching Unit Codes and their Subject Code equivalents can be found on the Web at www.mcgill.ca/student-records/transcripts.

The three numbers following the Subject Code refer to the course itself, with the first of these indicating the level of the course.

Courses numbered at the 100, 200, 300, and 400 levels are intended for undergraduate students. In most programs, courses at the 300 level and 400 level are normally taken in the student's last two years.

Courses at the 500 level are intended for graduate students, but may also be open to qualified senior undergraduate students.

Courses at the 600 and 700 level are intended for graduate students only.

Two additional characters (D1, D2, N1, N2, J1, J2, J3) at the end of the seven-character course number identifies multi-term courses.

11.4.2 Multi-term Courses
Most courses at McGill are single term (Fall or Winter or Summer) courses with final grades issued and any credits earned recorded at the end of that term. Single term courses are identified by a seven-character course number.

A unit may, however, decide that the material to be presented cannot be divided into single term courses or it is preferable that the work to be done is carried out over two, or three, terms. Under such circumstances, courses are identified by a two-character extension of the course number.

In some cases, the same course may be offered in various ways: as a single term and/or in one or more multi-term versions. The course content and credit weight is equivalent in all modes, albeit the only difference being the scheduling, and students cannot obtain credit for more than one version.

Courses with numbers ending in D1 and D2 are taught in two consecutive terms (most commonly Fall and Winter). Students must register for the same section of both the D1 and D2 components. When registering for a Fall term D1 course on Minerva, the student will automatically be registered for the Winter term D2 portion. No credit will be given unless both components (D1 and D2) are successfully completed in consecutive terms, e.g., Fall 2007 and Winter 2008.

Courses with numbers ending in N1 and N2 are taught in two non-consecutive terms (Winter and Fall). Students must register for the same section of both the N1 and N2 components. No credit will be given unless both components (N1 and N2) are successfully completed within a twelve (12) month period.

Courses with numbers ending in J1, J2 and J3 are taught over three consecutive terms. Students must register for the same section of all three components (J1, J2, J3). No credit will be given unless all three components are successfully completed.

IMPORTANT CONDITIONS FOR MULTI-TERM COURSES
1. Students must be registered for each component of the multi-term course. Students must ensure that they are registered in the same section in each term of the multi-term course.
2. Students must successfully complete each component in sequence as set out in the multi-term course. Credit is granted only at the end of the multi-term course; no credit is given for partial completion.

11.4.3 Course Terminology
Prerequisite: Course A is prerequisite to course B if a satisfactory pass in course A is required for admission to course B.

Corequisite: Course A is corequisite to course B if course A must be taken concurrently with (or may have been taken prior to) course B.

Credits: The credit weight of each course is indicated in parentheses beside the course title. For D1 and D2 courses the credit weight is indicated after the course number. For further information refer to section 13.2 “Credit System”.

McGill University, Faculty of Law 2007-2008 39
COURSE NOMENCLATURE IN PROGRAM DESCRIPTIONS:

Required Courses: Courses that must be completed to fulfill the requirements of a major, minor, etc., unless the student receives exemptions. Students have no choices among required courses.

Complementary Courses: A set of alternative courses that can be taken to fulfill the requirements of a major, minor, etc. Students choose a specified number of courses from the set.

Elective Courses: Courses that do not count toward the fulfillment of the requirements of a major, minor, etc. They are often, but need not be, selected from outside a student’s program of study. Some restrictions may apply, but students have the most choice in selecting elective courses. Some faculties also permit students to take elective courses using the satisfactory/unsatisfactory option. This is not an option for Law courses.

11.5 Quebec Inter-University Transfer Agreement (IUT)

The IUT Agreement permits concurrent registration at McGill and another Quebec institution.

11.5.1 McGill Students

Regular undergraduate and graduate degree, diploma or certificate students registered at McGill may, with the permission of their faculty, register at any university in the province of Quebec for three (3), or exceptionally six (6), credits per term in addition to their registration at McGill. These courses, subject to faculty regulations, will be recognized by McGill for the purpose of the degree for which the student is registered up to the limit imposed by the residency requirements of the program. ( Normally, a minimum residency requirement of 60 credits must be completed at McGill in order to qualify for a McGill degree — students should check with their faculty.) This privilege will be granted if there are valid academic reasons.

Students wishing to take advantage of this agreement should consult their Student Affairs Office for details, and are informed that this agreement is subject to the following conditions:

- The other universities concerned may, at their discretion, refuse the registration of a student for any of their courses.
- Students must complete their faculty and program requirements.
- The student is responsible for ensuring that the McGill Class Schedule permits these courses to be taken without conflict.
- The universities concerned are not responsible for special arrangements in cases of examination or class schedule conflicts.
- Marks earned at the host university will not appear on McGill transcripts or be included in McGill grade point averages.
- Students who are attending McGill as exchange students from outside Quebec are not eligible to take courses at another Quebec institution through the IUT agreement.
- Students should be aware that late results received from host universities may delay their graduation.

Scholarship holders should consult with their Student Affairs Office and the Scholarships Coordinator concerning eligibility for continuation or renewal of their awards.

Students must initiate an on-line Inter-University Transfer (IUT) application to request the required authorizations at www.mcgill.ca/student-records/register/iut. Students may also find additional information posted at their faculty Website.

Note: Once the IUT application is approved by both the home and host universities, the student remains responsible for registering in the same course for which they have obtained electronic approval. The method of registration at the host university will vary (e.g., Web, in-person, phone, etc.). The student is advised to initiate the electronic application allowing enough time to meet the host university’s registration deadlines. Furthermore, the student is responsible for adhering to all registration deadlines of the host institution. Students will need to drop or withdraw from the course(s) for which approval has been granted, will need to drop or withdraw from the course as per the method of registration at the host university AND submit this change on the online IUT application.

For courses that are completed the grade will be automatically submitted to the home university for the host institution.

11.5.2 Visiting IUT Students

Students from other Quebec universities wishing to come to McGill using the Inter-University Transfer (IUT) agreement must initiate an on-line application to request the required authorizations at www.mcgill.ca/student-records/register/iut. Visiting students should also refer to their home university Website for regulations on the number of credits allowed as well as the policies for transferring the credits.

Note: Once the IUT application is approved by both the home and host universities, the student remains responsible for registering in the same course for which they have obtained electronic approval. At McGill, the visiting student whose application has been approved will have to register on Minerva (www.mcgill.ca/minerva). Visiting students will be informed via e-mail of the steps involved in registering once their application has been approved.

The student is advised to initiate the electronic application allowing enough time to meet the host university’s registration deadlines. Furthermore, the student is responsible for adhering to all registration deadlines of the host institution. Students who later wish to drop or withdraw from the course(s) for which approval has been granted, will need to drop or withdraw from the course as per the method of registration at the host university AND submit this change on the online IUT application.

For courses that are completed the grade will be automatically submitted to the home university by the host institution.

11.6 Course Change Period

During the initial Registration Periods, see section 11.2 “Registration”, students may make changes to their course registrations (add or drop courses), subject to the requirements and restrictions of their program and of individual courses.

The Course Change deadline coincides with the deadline for late registration. Please refer to the Calendar of Dates, section 4, “Calendar of Dates – Faculty of Law 2007-2008”.

Students who drop their last Fall course after the end of August or drop their last Winter course after the end of December are considered to be withdrawn from the University. They must follow the procedures for readmission.

Students who are registered in the Fall term may continue to add and drop courses that will begin in the Winter term throughout the Fall term until the deadline for course change/late registration in the Winter term.

After the Course Change deadline, courses may be added according to each faculty’s regulations and only with written permission of the instructor and the Office of the Associate Dean of the student’s faculty (or Director, BCom Program, in the Desautels Faculty of Management). A fee will be charged for each course added.

11.7 Regulations Concerning Course Withdrawal

Following the Course Change deadline there is a period of a few days during which students may withdraw, with a grade of W and full refund of course fees, from courses that start in that term.

After the Withdrawal (with refund) deadline, there is a period during which withdrawal from a course will also result in a grade of W but no course fees will be refunded.

Courses that begin in the Fall Term

Deadline for withdrawal (grade of ‘W’) with refund:
- Single-term courses: Sunday, October 21, 2007
- Multi-term courses: Tuesday, January 15, 2008

Courses that begin in the Winter Term

Deadline for withdrawal (grade of ‘W’) with refund: Sunday, January 20, 2008
Deadline for withdrawal (grade of ‘W’) without refund:
- Multi-term courses: Thursday, May 15, 2008*

*Please note that students in multi-term courses with course numbers ending in N1 and N2 (begin in the winter, skip the summer, are completed in the subsequent Fall term) may withdraw after May 15 and until the end of the Fall term course change period by contacting their faculty Student Affairs Office.

After the withdrawal (without refund) deadline, but before the end of term, the student may, under exceptional circumstances, be granted permission to withdraw from a course. (Permission will not be granted merely because a student is doing unsatisfactory work.) A grade of W or WF, as appropriate, will appear on the transcript but will not be calculated in the GPA. For further information students should consult their faculty Student Affairs Office.

Note:
1. Students who wish to withdraw from required or complementary courses should also secure permission from their adviser. A course withdrawal form is available from the faculty Student Affairs Office. (Additional restrictions for Music courses are indicated in the Schulich School of Music section.)
2. The responsibility for initiating withdrawal rests solely with the student. Neither notification of the course instructor nor discontinuance of class attendance will suffice. The date on which a student's withdrawal is entered on Minerva is the official date of withdrawal, even if the student stopped attending lectures earlier.
3. Fee refunds, if any, will be in accordance with section 12.7 “Fees and Withdrawal from the University”.

11.8 Regulations Concerning University Withdrawal

Students considering University withdrawal are strongly urged to consult with their adviser and Student Affairs Office before making a final decision.

Student’s responsibility

The responsibility for initiating University withdrawal rests solely with the student. Neither notification of the course instructor nor discontinuance of class attendance will suffice. The date on which a student drops or withdraws from all courses on Minerva or the date the request for withdrawal is submitted to the Student Affairs Office is the official date of withdrawal, even if the student stopped attending lectures earlier.

11.8.1 Deadlines for University Withdrawal

All students who have accessed Minerva to register must officially withdraw within deadlines if they decide not to attend the term(s) for which they have registered. See Withdrawal (W) deadline dates in the Calendar of Dates. Students who drop their last Fall or Winter course by the end of the add/drop period of that term are considered withdrawn from the University. They must follow the procedures for readmission.

Students who wish to withdraw from the University by the deadlines indicated below must drop or withdraw from all courses on Minerva.

Fall Term:
Deadline for University withdrawal with refund (minus $100 for returning and $200 for new students):
Sunday, September 23, 2007
Deadline for University withdrawal without refund:
Sunday, October 21, 2007

Winter Term:
Deadline for University withdrawal with refund (minus $100 for returning and $200 for new students):
Sunday, January 20, 2008
Deadline for University withdrawal without refund:
Sunday, February 17, 2008

Students who are blocked from dropping or withdrawing from their last course on Minerva are required to contact their Student Affairs Office. The Student Affairs Office will supply any forms necessary to complete the University withdrawal where the deadline for University withdrawal has not been passed.

11.8.2 Consequences of University Withdrawal

Fee refunds, if any, for the term in which the student withdraws will be in accordance with section 12.7 “Fees and Withdrawal from the University”.

Upon withdrawal, students are required to return their ID card to the University as stated in section 10.3 “Identification (ID) Cards”. Students who withdraw from the University and wish to re-register in a subsequent term must follow the procedures for readmission.

Students who withdraw during the Fall term are considered withdrawn from the entire academic year, regardless of whether Winter term courses are dropped. If they wish to return for the Winter term, they must follow the procedures for readmission.

11.8.3 Summer Term/Summer Studies

The Summer term at McGill covers the months of May to August. During that period a wide array of credit courses from McGill degree programs is offered. Most are month-long courses with lectures every day. These courses are usually accepted for transfer credit by other universities. For more details, consult the Summer Studies Calendar or Website at www.mcgill.ca/summer or the Summer Studies Office at (514) 398-5212.

Students taking Summer Studies courses to complete their graduation requirements at McGill will receive their degrees at the Fall Convocation (normally held in November).

12 Fees

The University reserves the right to make changes without notice in the published scale of fees. (Note: The information in this section was prepared in May 2007.) Further information regarding fees can be found on the Student Accounts Web site www.mcgill.ca/student-accounts.

Note: This section relates only to fees for the undergraduate program. Graduate fee information (including programs which combine an undergraduate Law program with a graduate program, e.g., M.B.A. or M.S.W.) can be found in the General Information section of the Graduate and Postdoctoral Studies Calendar, or obtained from the unit concerned.

12.1 Fee Information Booklet

The Fee Information booklet, published in June of each year by the Student Accounts Office, contains additional information as well as any fee adjustments which may have been made after the publication of this Calendar. Students are bound by the policies and procedures contained therein. In the event of any discrepancy, the Fee Information booklet supersedes the Calendar.

A copy of the booklet will be sent to all new students. The contents are also available on the Student Accounts Web site at www.mcgill.ca/student-accounts.

12.2 Access to Fee Information

Students can view their Account Summary by Term on Minerva. The Fall 2007 term fees will be accessible as of August 1st.

12.3 Tuition Fees (2006-2007 rates)

Tuition fees vary according to the residence and citizenship status of the student. The rates described below only refer to credit activities.
Quebec Students
The 2006-07 tuition fees for Quebec students who are Canadian citizens or Permanent Residents are $55.61 per credit or $1,668.30 for 30 credits.

In accordance with provincial government requirements, students must provide proof that they qualify for assessment of fees at the Quebec rate; see section 10.2 “Legal Documents” for details.

Note: Students who do not submit appropriate documentation by the stipulated deadline will be billed at the non-Quebec Canadian or the international rate, depending on the documentation submitted.

If proof of status is submitted after a student has been billed, but before the document submission deadline, the tuition supplement will be waived. Should your tuition status be changed during the evaluation period resulting in a reduction of fees, any late payment and/or interest charges accumulated during the difference will also be waived.

Non-Quebec Students (Canadian or Permanent Resident)
Tuition fees for non-Quebec students who are Canadian citizens or Permanent Residents are $163.79 per credit ($55.61 Quebec rate plus $108.18 Out of Province supplement) or $4,913.70 for 30 credits. The Ministère de l’Éducation du Québec will formally notify the University during the Spring of any changes.

Based on past year’s fee increases, the out of province supplement typically increases by 4% per annum.

In accordance with provincial government requirements, students must provide proof that they qualify for assessment of fees at the non-Quebec Canadian rate; see section 10.2 “Legal Documents” for details.

Note: Students who do not submit appropriate documentation by the stipulated deadline will be billed at the international rate.

If proof of status is submitted after a student has been billed, but before the document submission deadline, the tuition supplement will be waived. Any late payment and/or interest charges accumulated during the documentation evaluation period will be waived.

International Students
The 2006-07 tuition fees for international students in the Faculty of Law undergraduate program are $431.00 per credit ($12,930.00 for 30 credits).

It is expected that tuition fees for international undergraduate students will increase by 8% in 2007/08. Fee increases will be announced as soon as they are known in the Spring.

Exemption from International Tuition Fees may be claimed by students in certain categories. Such students, if eligible, are then assessed at the Quebec student rate.

A list of these categories and the required application forms can be obtained from the Admissions, Recruitment and Registrar’s Office. Information is also available on the Web at www.mcgill.ca/students.

12.4 Compulsory Fees

12.4.1 Student Services Fees
The Student Services fee is overseen by the Senate Committee on the Coordination of Student Services, a committee composed equally of students and University staff. Through the Office of the Executive Director of Services for Students, these services are available on the Downtown and Macdonald campuses to help students achieve greater academic, physical, and social well-being.

The fee, complemented by revenue from the Quebec government, the University, and the generosity of donors, Student Health (including Dental), Mental Health, Counselling and Tutorial, Chaplaincy, Career and Placement, Scholarships and Financial Aid, International Student Services, the Office for Students with Disabilities, the First Year Office (including the Francophone Assistant), Off-Campus Housing, and the First Peoples’ House. The Office of the Dean of Students administers the academic integrity process as described in the Handbook of Student Rights and Responsibilities (see www.mcgill.ca/integrity/students).

12.4.2 Athletics Fee
The Athletics fee covers athletics facilities, campus recreation (intramurals, fitness & recreation courses, drop-in recreation, etc.), and intercollegiate sports at both the Downtown and Macdonald campuses.

12.4.3 Student Society Fees
Student Society fees are compulsory fees collected on behalf of student organizations. Fees must be approved by the student body through fee referenda according to the constitutional rules of the association or society.

Changes to Student Society fees are voted upon by the students during the Fall or Spring referendum period.

Note: For International students, the student society fee includes the SSMU Dental Insurance plan of $98.20. International students will be obliged to participate in the University’s compulsory International Health Insurance Plan, which at the 2006-07 rate costs $711 for single coverage. For more information, please contact International Student Services, (514) 398-6012.

12.4.4 Registration Charge
The University charges a per credit registration charge to all students in courses and programs. This is assessed as follows: $6.78 per credit to a maximum of $101.70 per term.

12.4.5 Information Technology Charge
The purpose of the information technology charge is to enhance certain technology services provided to students as well as to provide training and support to students in the use of new technology. The fee is assessed as follows: $6.62 per credit to a maximum of $99.30 per term.

12.4.6 Transcripts and Diploma Charge
The University charges a per credit transcript charge to all students. This entitles students to order transcripts free of charge and is assessed as follows: $1.20 per credit to a maximum of $18.00 per term.

12.4.7 Copyright Fee
All Quebec universities pay a per credit fee to Copibec (a consortium that protects the interests of authors and editors) for the right to photocopy material protected by copyright. The fee is assessed as follows: $0.66 per credit to a maximum of $9.90 per term.

12.6 Billings and Due Dates

12.6.1 Confirmation of Acceptance Deposit
Students admitted to the University will be required to confirm their acceptance of the offer of admission on www.mcgill.ca/minerva-students/applicants and pay the required deposit by credit card (Visa or Mastercard) at that time.

12.6.2 Invoicing of Fees
Electronic billing is the official means of delivering fee statements to all McGill University students. The University has replaced paper fee statements with a convenient electronic billing system for students to view their account statement on Minerva. All charges to the student's account, including tuition, fees, health insurance and other miscellaneous charges are on your e-bill. E-bills are generally produced in the first few days of the month and an e-mail notification that the e-bill is ready to be viewed on Minerva is sent to the student's official McGill e-mail address. Charges or payments that occur after the statement date will appear on the next month's statement, but may be immediately viewed on the Account Summary by Term on Minerva (this is the on-line dynamic account balance view).

Interest will not be cancelled due to non-receipt of fee invoices. Students should access the Student Accounts Website at www.mcgill.ca/student-accounts for information on payment due dates.

Late Payment Fees: Students who still have an outstanding balance greater than $100 on their account as of October 31st (February 28th for the Winter term) will be charged a late payment fee of $25 over and above interest.

12.6.2.1 Guest Access on Minerva
Students may choose to give access privileges to a guest within Minerva. These privileges include viewing e-Bills/Account Summaries, Tax Receipts and e-payment.

A Web page at www.mcgill.ca/student-accounts/guest describes how students can set up this access. Students are asked to provide certain information about the individual for whom they wish to provide access to their fee-related information. The guest will be contacted by e-mail and provided with a link which they must use within a designated time period.

Students may revoke these access privileges at any time. At the same time, note that Student Accounts staff may respond to questions from your authorized guests regarding the information to which you have given them access.

If students do not wish to give a guest access privileges to Minerva, they may still enter alternative student billing e-mail addresses to which Student Accounts will send carbon copies of the monthly e-bill notification. However if someone has been granted access as a guest and their guest email is the same as a carbon copy student billing email address, the University will de-activate the student billing email address in order to only notify your guest about the billings once.

Students are cautioned NOT to share their own PINS with anyone, and guest access allows information to be passed to a guest without giving away your PIN.

12.7 Fees and Withdrawal from the University
All students who have accessed Minerva to register must officially withdraw in accordance with section 11.7 “Regulations Concerning Course Withdrawal” if they decide not to attend the Term(s) for which they have registered. Otherwise they will be liable for all applicable tuition and other fees.

Students who have accessed Minerva and who drop their last course from September 1st through to the withdrawal period with full refund, will be deemed to have withdrawn from the University. They will be automatically charged a minimum charge of $100 (or their deposit fee if newly admitted) to cover administrative costs of registration.

Students who discontinue their classes without taking steps to drop their courses will be liable for all applicable tuition and other fees.

12.7.1 Fee Refund Deadlines
The deadline dates for course refunds are independent of the deadline dates given for withdrawal from courses.

Fall Term – up to and including September 23:
Returning students – 100%* refund (Less minimum charge of $100 in the case of complete withdrawal.)
New students – 100%* refund (Less registration deposit or minimum charge.)

Fall Term – after September 23: No refund.

Winter Term – up to and including January 20:
Returning students – 100%* refund (Less minimum charge of $100 in the case of complete withdrawal.)
New students – 100%* refund (Less registration deposit or minimum charge.)

Winter Term – after January 20: No refund.

* Including tuition fees, society and other fees, student services, athletics fee, registration, transcripts and diploma charges, and information technology charge.

Students should access the Student Accounts Website www.mcgill.ca/student-accounts for information on payment due dates.

12.8 Other Policies Related to Fees

12.8.1 Overdue Accounts
All tuition and fees assessed by the University must be paid in full or arrangements must be made to settle the debt.

Students’ accounts are considered delinquent if they are not paid in full within 60 days after the bill is issued. A financial hold will be placed on such accounts, preventing students from obtaining official academic transcripts and from accessing Minerva for any registration functions.

Interest: Interest is charged on overdue balances at the monthly rate of 1.24% multiplied by the balance outstanding at the end
of the month (14.9% annually). The rate is evaluated each Spring, at which time it is set for the following academic year.

Students are advised to regularly verify their account balance via Minerva.

The University has no obligation to issue any transcript of record, award any diploma, or re-register a student in the case of non-payment of tuition fees, library fees, residence fees or loans on their due date.

**Information for Registered Students**

Students who have registered in a given term and who have amounts owing from previous terms must either pay their accounts or make payment arrangements with the Student Accounts Office before the end of the course add/drop period. Students in financial difficulty should first consult the Student Aid Office (Brown Student Services Building, Room 3200; 398-6013) to discuss the possibility of obtaining financial aid.

Failure to pay the previous term’s fees or to make arrangements to settle the debt prior to the add/drop deadline will lead to cancellation of registration in the current and subsequent terms.

**Information for Students Who Are No Longer Registered**

The delinquent accounts of students who fail to settle their debt or reach a suitable arrangement and of students who fail to provide the Student Accounts Office with up-to-date contact information, will be referred to a collection agency. Where neither the University nor the collection agency is able to collect on the account, the University reserves the right to have the student reported to a credit bureau. Students should be aware that the University is entitled to use all legal means to obtain payment and that students will be responsible for all costs associated with such actions.

**Cancelling Registration for Non-payment**

In accordance with the fee policy as stated in section 12.8.1 "Overdue Accounts".

The Student Accounts Office will make all reasonable efforts to notify students with a delinquent student account, and who have more than $100 outstanding from the previous term, that their registration will be cancelled for non-payment. The cancellation will be made effective the last day of the drop/add period unless the account has been settled or payment arrangements have been made with the University by then. After the add/drop deadline, students who pay or make payment arrangements with the Student Accounts Office and who want to confirm that their registration for the current or subsequent term(s) should be re-instated must complete the www.mcgill.ca/files/student-accounts/Request-forReinstatementForm.pdf and submit it to the Student Accounts Office, which will forward it to the Registrar’s Office for approval and processing.

**12.8.2 Acceptance of Fees vs Academic Standing**

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that the academic standing does not permit the student to continue, all fees paid in advance will be refunded on application to the Student Accounts Office.

**12.8.3 Fees for Students in Two Programs**

Students in two programs normally are billed additional fees for their second program. Depending on the level of the two programs, e.g., one program at the undergraduate vs. one program at the graduate level, students may incur both society and faculty fees and/or additional tuition fees. Consult the student accounts website for further details.

Students in two programs may consult the Admissions, Recruitment and Registrar’s Office for information on tuition fees. Adjustments to bills will be made throughout the term when fees cannot be automatically calculated.

**12.8.4 Québec Exchange (Inter-University Agreements)**

Students taking courses as part of the Inter-University Agreement are required to pay the fees at their home university. The Agreement, therefore, relates solely to the transfer of academic credits. International students in undergraduate programs will not normally be permitted to take IUT courses. Students taking courses as part of the Inter-University Agreement are required to pay additional course charges that are compulsory upon registration in a particular course. Such additional course charges may represent special activity charges or course materials. The University reserves the right to refuse course registrations in non-government-funded activities.

**12.8.5 Senior Citizens**

Senior citizens aged 65 and over, registered in credit courses, will be credited an amount equal to 50% of the Quebec tuition fee rate for the 2007-08 academic year. This fee waiver will not be continued in 2008-09, but those who require financial aid should be aware that such aid will be available for students enrolled full-time in degree programs. Students in need may contact the Scholarship and Student Aid Office for more information at (514) 398-6013.

**12.8.6 Part-time Students**

Part-time students will be charged tuition fees at the per credit rates and are also subject to student society fees, student service fees, registration and transcript and diploma charges, information technology charges, and copyright fees.

**12.8.7 Students with Sponsors**

Students whose fees will be paid by an outside agency such as the Department of Veterans Affairs, CIDA, a foreign government, or their University department (i.e., teaching assistants or demonstrators), must have written evidence to that effect. Sponsors and students alike must inform the University that a sponsorship is taking place so that the contract may be initiated and the student’s fee account affected. Notification to the University should occur at least one month prior to the beginning of the term in which the contract is to take effect. Full documentation on the procedure as well as the forms required to be completed are found at www.mcgill.ca/student-accounts/third.

When a third party has agreed to pay fees on behalf of a student, payment will be recorded on the fee account, thereby reducing the balance the student must pay. The University reserves the right to insist upon payment. If the third party does not pay the promised fees within 90 days of invoicing, the student will be responsible for paying the fees plus the late payment fee and accrued interest.

**12.9 Deferred Fee Payment**

**12.9.1 Students Receiving McGill Scholarships/Awards**

Fall Term: McGill scholarships or awards are normally credited to the recipient’s fee account by mid-August. These awards have the effect of reducing the student’s outstanding balance.

Winter Term: Students can view upcoming Winter term scholarships or awards on Minerva once processed by the Scholarships and Student Aid Office. These awards are future-dated and will be released to the student’s fee account by January 2.

**12.9.2 Students Receiving Government Aid**

Students are encouraged to pay their tuition promptly upon receipt of their government assistance. Interest on outstanding tuition is charged monthly beginning in August for returning students and in September for new students. Students who have applied for government assistance for full-time studies by June 30 (June 1st for US students) will be entitled to an exemption of interest and/or late payment charges effective upon receipt of their aid at the Scholarships and Student Aid Office.

Students are reminded that tuition and student housing fees have first call upon financial aid received from any source.

**12.9.3 Graduate Awards/Teaching Assistantships**

Graduate students who are recipients of awards where funds are paid directly to them (e.g., CIMR, NSERC, etc.) are normally required to pay their fees by the payment due dates.
Students who are dependent on the income received from either Teaching Assistantships, stipends and/or fellowships in order to pay their tuition should consult with the office responsible for their pay (either with their graduate department or on the Graduate and Postdoctoral Studies Office Website www.mcgill.ca/gps) to see if they qualify for a deferral of their fees. Arrangements can then be made with the department to request a deferral through the Student Accounts Office. The department will normally recommend that the student arrange for regular deductions at source to pay tuition.

To initiate these deductions, fill out the form “Student Fee Payroll Deduction Authorization” found at www.mcgill.ca/student-accounts/forms. Generally, the deferral is only in effect until April, by which time all fees must be paid.

As of September 2007, all international Doctoral students registered full-time (Ph.D./D.Mus/DCL, years 1 to 4) at McGill will pay the same tuition fees as the Quebec Doctoral students. For more information, please refer to the MIDAs awards in the Graduate Fellowships and Awards section of the graduate calendar.

12.10 Fees and Charges (2006-07)

Tuition fees at the undergraduate level are based on the number of credits taken. The following table reflects a normal full-time course load of 30 credits per year.

Part-time students will be charged tuition fees at the per credit rate and will be subject to student society fees, student services fees, registration and transcripts charges, and information technology charges.

13 Student Records

13.1 Academic Standing

Students enter the University in satisfactory standing and their academic standing is determined soon after the end of a term in accordance with the regulations of their faculty. Standing codes are generated in January for the Fall term, in May for the Winter term, and in September for the Summer term. Students who are placed in unsatisfactory standing must apply to the faculty for readmission. Consult the appropriate section of this Calendar for the Regulations on Academic Standing that apply to a particular faculty.

[Revised section begins, September 2007]

In the Faculty of Law, candidates who do not achieve a sessional Grade Point Average of 1.50 will be required to withdraw from the Faculty.

Candidates who achieve a sessional Grade Point Average of between 1.50 and 1.99 will be permitted to continue their studies, but must achieve at the end of the subsequent session either a sessional Grade Point Average of 2.50 or a cumulative Grade Point Average of 2.00.

Candidates must have a cumulative Grade Point Average of 2.00 to be entitled to graduate.

Candidates who are required to withdraw from the Faculty may be authorized by the Faculty Admissions Committee to continue their studies if exceptional reasons for the required withdrawal exist.

[Revised section ends, September 2007]

13.2 Credit System

The Faculty of Law uses the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term but this does not apply to all faculties. Laboratory contact hours usually count for fewer credits. Credits also reflect the amount of effort required of students and generally assume two hours of personal study for each contact hour.

The credit weight of each course is indicated in parentheses beside the course title.

Note: Credit for multi-term courses (courses with the suffix sets: D1, D2; N1, N2; J1, J2, J3) is granted only after successful completion of all components in the specified time frame. For example, a student would have to take D1 and D2 components in consecutive terms and successfully complete them both in order to obtain credit.

13.3 Grading and Grade Point Averages (GPA)

Courses can be graded either by letter grades or in percentages, but the official grade in each course is the letter grade. Effective with the Fall term of 2002, all verification forms, transcripts and other documents show only letter grades for all subsequent terms. Where appropriate, a class average will be calculated and appear on transcripts expressed as the letter grade most representative of the class performance.

Grades A through D are termed satisfactory passes, and F a failure. Certain courses have been approved for Pass/Fail (P/F) grading.

* Faculty of Law does not use this numeric scale.

Letter grades are assigned grade points according to the table shown above. A student's academic standing will be determined on the basis of a grade point average (GPA), which is calculated by dividing the sum of the course credit times the grade points by the total course GPA credits.

GPA credits are the credits of courses with grades that are assigned grade points.

\[
GPA = \frac{\sum \text{(course credit x grade points)}}{\sum \text{(GPA course credits)}}
\]

The term grade point average (TGPA) will be the GPA for a given term calculated using all the applicable courses at the same level in that term. The cumulative grade point average (CGPA) will be the GPA calculated using the student's entire record of applicable courses at McGill at the same level; if the level is changed, e.g.,
from undergraduate to graduate, the CGPA starts again. This policy took effect January 2003. Prior to January 2003, if a student's degree program had changed, e.g., from B.Sc. to B.A., the CGPA started again. For students with academic information prior to Fall 2002, who are registered in a different program or in a different level post-Fall 2002, the transcript displays a special message regarding the CGPA restarting. If courses are repeated, all results are included in the GPA calculation. Therefore, grades of D or F continue to be used in the CGPA calculation even after the course is repeated or if a supplemental examination is taken. Students should note that credits are only granted once for a repeated course regardless of the passing grade.

13.3.1 Other Grades

J – unexcused absence (failed): the student is registered for a course but does not write the final examination or do other required work; calculated as a failure in the TGPA and CGPA (see note below).
K – incomplete; deadline extended for submission of work in a course (see section 13.4 “Incomplete Courses”).
KE or K* – further extension granted (see section 13.4 “Incomplete Courses”).
KF – failed to meet the extended deadline for submission of work in a course; calculated as a failure in TGPA and CGPA.
KK – completion requirement waived. Not calculated in TGPA or CGPA.
L – deferred examination.
LE or L* – permitted to defer examination for more than the normal period.
NR – no grade reported by the instructor (recorded by the Registrar).
P – pass; not calculated in TGPA or CGPA.
Q – course continued in next term (applicable only to courses taken pre-Fall 2002).
S – satisfactory; equivalent to C or better in an elective course; not calculated in TGPA or CGPA.
U – unsatisfactory; equivalent to D or F in an elective course; not calculated in TGPA or CGPA.
W – withdrew: a course dropped, with permission, after the Course Change deadline; not calculated in TGPA or CGPA.
WF – withdrew failing; a course dropped, with special permission in an exceptional case, after faculty deadline for withdrawal from course, the student's performance in the course at that stage being on the level of an F; not calculated in TGPA or CGPA. (Not used in Music.)
WL – faculty permission to withdraw from a deferred examination; not calculated in TGPA or CGPA.
NA or & & – grade not yet available.
W-- or -- – no grade: student withdrew from the University, not calculated in TGPA or CGPA.

Note re J grade: All students who miss a final exam will be given a grade of J. The student will then have the following options:

a) ask to be assigned a grade based only on the grades earned for the work submitted up to, but not including, the final exam. The grade earned will be calculated by adding the grades obtained on the individual pieces of work and a grade of 0 for the portion of the final grade allocated to the final exam. This option is not available if the professor has stipulated in the course outline that the final exam is a required part of the evaluation;
b) request a deferred exam, if the student has the appropriate reasons and documentation.

Students must make their request for option a) no later than four months after the end of the examination period of the original course. Requests for deferred exams (option b) must be made by the faculty deadlines as indicated in the faculty sections of this Calendar. Students wishing to appeal a J grade should write to the Associate Dean of their faculty (or Director, BCom Program, the Desautels Faculty of Management).

13.4 Incomplete Courses

In the Faculty of Law, permission to delay submission of required term work must be obtained from the Student Affairs Officer. It cannot be granted by the instructor.

If, in the opinion of the Student Affairs Officer, there is sufficient reason to permit a delay in the submission of required term work, an extension of the deadline after the end of the course may be granted to the student. In this case, the instructor will submit a grade of K (incomplete).

If an extension of the deadline is granted, the Student Affairs Officer will indicate the date by which the student must complete the work.

If the instructor submits a new grade within the new deadline, both the new grade and the grade of K will appear on the student's faculty reports and verification forms. However, on the student's official transcript the new grade will replace the K.

If the required work is not completed before the deadline, a grade of KF will be updated on the student's record. A KF denotes a failed course and is calculated in the TGPA and CGPA the same as an F.

In exceptional circumstances, and with the approval of the Assistant Dean (Internal Affairs), the deadline may be extended further, in which case the grade of KE (further extension granted) will appear. If the extended deadline is not met, a grade of KF will replace the KE.

Students who have not, without a valid excuse, participated in or written a final examination or submitted required term work for any courses they were registered in shall be assigned a final grade of J (unexcused absence). For more information, see note regarding J grade above.

13.5 Transfer Credits

Students may be granted credit for courses passed with a grade of C or better at other universities, as long as they are within the number of credits imposed by McGill's residency requirements and program requirements in some faculties. In the Faculty of Law, a maximum of 15 transfer credits may be granted unless special permission is obtained. Students must be in satisfactory standing in order to be granted the transfer credits. Courses with grades of C-, P, and S will not be considered for transfer credits. The letter grades applied by the host institution take precedence over the numerical grades if both are provided.

Students must obtain approval from the Assistant Dean (Internal Affairs). Grades earned at the host university for transfer courses are not entered on the student's McGill transcript and are not included in the calculation of the TGPA or CGPA.

For universities outside Quebec, it is the student's responsibility to ensure that an official transcript is sent from the host institution to the Student Affairs Office in the Faculty of Law. It is the student's responsibility to process the request for transfer of credits with their home faculty at McGill within six months of return from the exchange program or study away. Students studying at another Quebec university on an Inter-University Transfer Agreement (IUT) will have their grade(s) sent to McGill University automatically by the host university. For additional information, please refer to section 11.5 “Quebec Inter-University Transfer Agreement (IUT)”.

Transcripts for transfer courses must meet the following deadlines:

- April 30, if term of graduation is to be Winter (Convocation in Spring)
- September 15, if term of graduation is to be Summer (Convocation in Fall)
- January 15, if term of graduation is to be Fall (degree granted February, Convocation in Spring)

Transcripts not received by the appropriate date will be considered for the next graduation period only.
13.6 Verification of Student Record

13.6.1 Unofficial Transcripts
Subject to section 13.7 “Changes to Student Records after Normal Deadlines”, students are responsible for verifying their academic record on Minerva using the unofficial transcript to ensure that they are registered in the proper courses, and that the correct program information and expected term of graduation is appearing on their record.

Graduating students must make sure to verify their record on Minerva prior to the end of term in which they are graduating to ensure that the correct expected term of graduation is indicated on their unofficial transcript; if not, the students may be overlooked for graduation. Any questions or problems with their record should be directed to the Student Affairs Office.

13.7 Changes to Student Records after Normal Deadlines

13.7.1 Student Record Changes
Student record changes include: course add or course drop, course withdrawal, university withdrawal, program change (including changing minors or concentrations).

13.7.2 Registrar Deadlines
Fall term - January 31
Winter term - June 1
Summer term - October 1

13.7.3 Before Registrar Deadlines
For record changes after the normal deadlines published in the calendar, but before the Registrar deadlines above, the student must make a request in writing to the Associate Dean of their faculty (or Director, BCom Program, Desautels Faculty of Management), clearly explaining the reasons why the change could not have been requested prior to these dates. The Associate Dean will then review the request and render a decision. If permitted, the change will then be processed according to existing faculty and ARR student record procedures.

13.7.4 After Registrar Deadlines
A change that is requested after the Registrar deadlines above will not normally be considered. In situations where there are "extraordinary personal" or "extraordinary academic" circumstances that could not have been foreseen prior to these deadlines, students may formally request a student record change from the Associate Dean of the faculty (or Director, BCom Program, Desautels Faculty of Management). If the Associate Dean of the faculty approves the request, the change will then be processed according to faculty and ARR student record procedures. For all changes other than grade changes, full documentation supporting extraordinary circumstances will be filed by the faculty with the Registrar's office.

13.7.5 Fee Assessment Consequences
When a change to the student record is made, the revised fee assessment will be reflected on the next fee statement. If a student wishes to contest the fee assessment, he or she must make a request in writing to Admissions, Recruitment and Registrar’s office. The ARR, upon reviewing the extraordinary circumstances described in the supporting documentation provided by the faculty, and upon consultation with the Student Accounts Office if necessary, will decide whether or not to consider the request and will advise the student in writing of the outcome.

13.7.6 Student’s Citizenship and/or Immigration or Fee Exemption Status
Changes related to student’s citizenship and/or immigration or fee exemption status are not handled by the Faculty and are dealt with in section 10.2, “Legal Documents”.

13.8 Transcript of Academic Record

13.8.1 Unofficial Transcripts
Students who require a copy of their student record can view and print their own unofficial transcript by accessing Minerva. This applies to records from 1976 to present. For pre-1976 records, an official transcript must be ordered.

13.8.2 Official Transcripts
Official transcripts can be ordered on-line via Minerva by going to Student Menu->Student Records Menu->Request Printed/Official Transcript. Students who cannot access Minerva should fill out the “Request for Release of Official Document” form available on-line at www.mcgill.ca/student-records/transcripts or in person at the Admissions, Recruitment and Registrar’s Office at the address below. Transcript requests may be submitted by mail, by fax, or in person but must be signed by the student. To protect privacy, we do not accept telephone or e-mail requests.

Admissions, Recruitment and Registrar’s Office
James Administration Building
845 Sherbrooke Street West, Room 205
Montreal, Quebec H3A 2T5
Fax: (514) 398-8939

13.8.3 General Information
Transcripts are free of charge.

Official transcripts are sent directly to the addresses provided by the student. Official transcripts in sealed envelopes can be given to those requesting them.

Requests are processed in 3 to 5 working days, somewhat longer for pre-1976 records and at peak times.

ARR is not responsible for transcripts that are lost or delayed in the mail.

The University will issue only complete transcripts recording all work attempted and results obtained in any and all programs. In no circumstances will partial transcripts be issued.

Official transcripts will NOT be issued for students registered on or after September 2001 who have failed to provide the information and/or documents necessary to obtain or verify their Permanent Code.

Transcripts will not be issued if you owe fees or fines over $30.

Official transcripts are produced on secure paper that cannot be copied.

13.8.4 Course Numbering on the Transcript
Prior to September 2002, course numbers had a seven-character designation beginning with the three-number code for the teaching unit/department. The next three digits specified the course, with the first of these indicating its level. The final character was a letter indicating the term, or terms, during which the course was offered. For example:

107-200A = Philosophy (107) course (200) in Fall term (A);
301-202B = Architecture (301) course (202) in Winter term (B);
154-230D = Economics (154) course (230) extending for two terms, Fall and Winter (D).

A list of the former Teaching Unit Codes and their Subject Code equivalents is available on the Web at www.mcgill.ca/student-records/transcripts.

14 Examinations

14.1 Examinations – General Information
In addition to the general policies listed here, law students should consult the Faculty Examination Regulations included in the Faculty of Law Handbook of Academic Regulations, Resolutions and Policies distributed at the beginning of each academic year, and available at the Student Affairs Office. Students will be informed by
the end of the change of course period of the evaluation method to be used in each course. Every student has a right to write term papers, examinations and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

Students will not be permitted to write an examination in any course unless they have fulfilled the requirements of the course to the satisfaction of the instructor and the Associate Dean. Once students have presented themselves for an examination or test, they must submit all written work to the invigilator before leaving.

Students writing examinations must have with them their valid McGill student ID card. Forgetfulness cannot be considered an acceptable excuse.

Students are reminded that cheating in any examination is considered a serious offence which could lead to expulsion from the University. Students are not permitted to have in their possession, or to use, any unauthorized materials during an examination.

Responses on multiple choice examinations are normally checked by the Exam Security Computer Monitoring Program. The program detects pairs of students with unusually similar answer patterns on multiple-choice examinations. Data generated by the program can be used as admissible evidence either to initiate or corroborate an investigation or a charge of cheating under Section 16 of the Code of Student Conduct and Disciplinary Procedures. All students are responsible for knowing the University Examination Regulations and the Code of Student Conduct and Disciplinary Procedures. The former are normally posted during the examination period and both may be obtained from the Student Affairs Office.

Information about issues related to academic integrity can be found at www.mcgill.ca/integrity.

Class Tests
Members of the teaching staff may from time to time give interim class tests if they think them necessary.

Special Facilities
Students with visual or other disabilities should consult the Coordinator, Office for Students with Disabilities, Brown Building, about the possibility of special examination facilities.

14.2 Final Examinations

Formal final examinations are held during an examination period following the term in which the course is given. The dates of the examination periods are listed in the Calendar of Dates. Students are warned not to make travel arrangements to leave Montreal prior to the scheduled end of any examination period. In some courses there is no final examination; standing in these courses is determined on the basis of term work and class tests.

14.2.1 University Regulations Concerning Final Examinations

Preamble
The objectives of these regulations are as follows:
1) to protect students from excessive workloads;
2) to use the full 15-week term to maximum advantage.

Regulations
1. These regulations shall apply to undergraduate courses up to and including the 500 level that are evaluated by the use of written examinations. They shall not apply to clinical, field, laboratory, performance, and seminar courses, or to other courses that are evaluated solely by means of a design, paper, program, or project.

2. Written examinations (including take-home examinations) shall not be held during the last two weeks of scheduled classes during the Fall and Winter terms, except where a pattern of continuous evaluation has been established, in which case the total value of examinations given in this period shall comprise no more than 10% of the final mark.

3. If the written examinations in a course constitute 50% or more of the final mark, one of these shall be given as a final written examination; and it shall take place during the examination period after the last day of scheduled lectures in December or April.

4. A final examination given during the examination period shall be worth at least 25% of the final mark.

5. Students shall be informed of all course requirements by the end of the course change period. All term work shall be assigned early enough in the term for students to complete the assignment(s) by the last day of class.

6. The due date for term work in courses to which these regulations apply shall be no later than the last day of classes.

7. In courses that span the Fall and Winter terms (course pairs with numbers ending D1 and D2), instructors who wish to give a mid-year examination in December must schedule it in the formal examination period.

8. The principles enunciated in these regulations shall be applied, appropriately modified, to courses given during the summer, to other courses of less than a 13-week duration, and to courses in the Faculties of Law, Medicine, Dentistry, and Education that do not follow the normal University Timetable.

9. Individual faculties may propose variations in these regulations to the Academic Policy and Planning Committee in order to meet their special needs.

10. These regulations, and any variations to them, shall be made known to students by each faculty.

Instructors are not permitted to grant any special treatment regarding examinations to any student. Students who believe there are circumstances which might justify making special examination arrangements for them or which might legitimately be taken into account in evaluating their performance should apply to the Associate Dean of their faculty (or Director, BCom Program, Desautels Faculty of Management).

It is the responsibility of the student to confirm the date, time and place of the examination by checking examination schedules posted on notice boards on campus and on the Web at www.mcgill.ca/students. This information is not available by telephone. No student will be allowed to enter an examination later than one hour after it has started.

14.3 Invigilation (Exams from Other Universities)

Upon request, McGill will offer an invigilation service enabling students to write exams given by other universities. Exams must be scheduled on weekdays at 9:30 a.m., and cannot be scheduled on evenings, weekends, statutory holidays, McGill holidays, or Fridays during the months of July and August.

The Cost
The cost for invigilation and administration is $50 per student per exam plus $10 for courier charges to Canada and $20 to the USA and $30 courier charges to overseas.

The home university should confirm in advance of the exam date if it is paying; otherwise, the student will be charged.

Setting Up
Please confirm the exam date and time well in advance of the scheduled exam and also provide your phone number and e-mail address.

Exams and examination booklets, along with full instructions, should be sent to this address well in advance of the scheduled exam:

15 Exchange and Study Abroad Options

15.1 Bilateral Student Exchanges

Bilateral student exchange agreements are tuition exchange agreements that exist between McGill University and one other institution, which have been reviewed and approved by McGill. McGill University has bilateral agreements in many countries including: Australia, Austria, Belgium, Canada, China, Czech Republic, Denmark, Finland, France, Germany, Hong Kong, Hungary, Ireland, Italy, Japan, Korea, Mexico, the Netherlands, New Zealand, Norway, Russia, Singapore, Spain, Sweden, Switzerland, Thailand, Turkey, the United Kingdom, and the United States of America. Exchange programs can be university-wide or faculty-specific. Faculty-specific agreements are only open to students in the specified faculty.

The full listing of bilateral partners can be found at www.mcgill.ca/studyabroad.

15.1.1 CRÉPUQ Exchanges

The Conférence des recteurs et principaux des universités du Québec has established tuition exchange agreements in which all Quebec university students may participate, regardless of whether or not they are Quebec residents. The listing of CRÉPUQ partners is accessible from www.echanges-etudiants.crepuq.qc.ca.

15.2 Exchange Programs

15.2.1 Eligibility

Student exchange programs are open to McGill students of all nationalities. To participate, law applicants must be currently registered as full-time, degree-seeking McGill students, meet the criteria of the Faculty of Law, and have a minimum CGPA of 2.70. Law applicants must have completed the first and second years of the B.C.L./LL.B. program by the start of the exchange. Students can participate in an exchange for one term.

16 Endowment Funds and Special Projects

16.1 Wainwright Fund

This eminent Canadian advocate, who practised for over fifty years at the Bar of the Province of Quebec, had a long association with legal studies at McGill University. He obtained his Bachelor of Civil Law degree in 1902 and was awarded the Elizabeth Torrance Gold Medal and the Macdonald Travelling Scholarship. In 1909 he joined the teaching staff of the Faculty as a part-time Lecturer in Civil Law; in 1921 he was promoted to the rank of Professor. His merits as a teacher of the Civil Law for over twenty-five years were recognized by the University in 1934 when it named him, upon his retirement, Emeritus Professor. The degree of Doctor of Civil Law honors causa was conferred upon him in 1963.

The bequest of the residue of his estate, now valued at over $1,000,000, to McGill University for the use of the Faculty of Law made possible the founding of undergraduate scholarships in law, the enrichment of the Library Law, the creation of the Wainwright Fellowships, and the inauguration of the Wainwright Lectures. These have been organized to promote the scholarly study of law and, in particular, the Civil Law of Quebec, which always remained, throughout his long and distinguished career, the abiding interest of this generous friend and much valued colleague of the McGill Faculty of Law.

Wainwright Fellowships

Since the establishment of the Wainwright Fund, the Faculty has appointed a number of Wainwright Junior Fellows, many of whom are now holding professorial positions in Canadian law faculties. In 1986 the Faculty welcomed its first Wainwright Senior Research Fellow, the Honourable Albert Mayrand, retired Justice of the Que-
bec Court of Appeal. The current Senior Research Fellow is the Honourable Charles Gonthier, retired Justice of the Supreme Court of Canada.

Wainwright Research Grants
Each year, the Wainwright Committee grant research funds to McGill professors for the purpose of hiring McGill law students as research assistants in the field of Civil Law.

Wainwright Lectures
Commencing in 1975 the Wainwright Committee has sponsored a series of scholarly lectures on the Civil Law. Wainwright lecturers have been Mr. Justice Albert Mayrand, Professor Joseph Dainow, Professor Henri Battifol, Professor A.J. McClean, Professor Philippe Jestaz, Professor Alain-François Bisson, the Honourable Louis Lebel of the Supreme Court of Canada. The 8th Wainwright Lecture, entitled “Le pouvoir juridique”, was delivered by Professor Madeleine Cantin Cumyn, Wainwright Professor of Civil Law.

Wainwright Library Grants
For many years, the Wainwright Trust has funded purchases of non-Quebec civil law monographs for the Nahum Gelber Law Library based on an annual application.

16.4 Other Faculty Endowments and Annual Funds
The programs of the Faculty are also supported by other endowments. The J.C. Wurtele Fund, established in 1929 from a legacy by the Honourable J.C. Wurtele, is used to sponsor guest lectures in the field of Jurisprudence, to purchase books on legal theory and otherwise to assist in the promotion of jurisprudence within the Faculty. Finally, in 1989 the McGill International Law and Practice Fund was created to promote the study of international trade and business law through the acquisition of library materials, the sponsorship of colloquia and research projects.

Tory, Tory, DesLauriers & Binnington Program for Legal Research And Writing
This fund was established in 1989 by the firm Tory, Tory, DesLauriers & Binnington to promote legal research and writing within the Faculty of Law. The program currently comprises two features: a summer fellowship program and a legal writing award.

The Summer Fellowship permits two students to spend half a summer with the law firm in Toronto as part of the summer students program and the other half of the summer as research assistants within the Faculty of Law. Students selected for the Summer Fellowship program are expected, while at the Faculty, to produce research work of publishable quality in support of an ongoing project of a member of the academic staff.

The J.S.D. Tory Writing Awards, which permit students to revise term essays for publication, are explained more fully in section 17.3 "Undergraduate Scholarships, Prizes and Student Aid for Graduating Students".

Alma Mater Fund
Each year Law alumni and alumnas are invited to make contributions to their Alma Mater. Annual support has provided resources for scholarships and fellowships; funds to address immediate teaching and research needs; internship, exchange and research opportunities that offer life changing experiences to our students.

16.5 Meredith Memorial Lectures
In 1949 the Faculty of Law of McGill University began its sponsorship of a series of lectures known as the Bar Extension Lectures. These were designed to assist in the promotion of continuing legal education for members of the legal profession in the area. A variety of topics of current interest both to the members of the Bar and the notarial profession have been offered annually since that time. Since 1961 the lectures have been published as The Meredith Memorial Lectures in honour of the late W.C.J. Meredith, Q.C., Dean of the Faculty of Law of McGill University from 1950-1960. The proceeds of the Lectures sustain the W.C.J. Meredith Research Fund of the Faculty of Law.

16.8 International Human Rights Law Program
The International Human Rights Law Program seeks to continue the legacy of former McGill professors and deans Percy Corbett, John Humphrey, F. R. Scott and Maxwell Cohen. Its goal is to pro-
provide focus to research and scholarship in Human Rights Law at the Faculty through the Centre for Human Rights and Legal Pluralism which operates a network of teaching, course concentration, research, publication, advocacy training, public education, seminars, public lectures and symposia, and the graduate program in human rights law.

The Program co-sponsors, four Human Rights Lectureships of international reputation. Moreover, Liaison librarians proficient in specific disciplinary areas are on hand to assist students and staff.

Opening hours vary for each library but most are open up to 84 hours per week and, during examination time, the libraries extend their opening hours, with the Humanities and Social Sciences Library open for 24 hours. Assistance is provided by phone, in person and online, including online chat. 24.2 The United States

The LL.B. degree is an approved law degree in some U.S. jurisdictions (i.e. NY & MA), and is accepted as the equivalent of a degree in law from an accredited U.S. law school in those jurisdictions. This approval means that McGill graduates may proceed through the bar admission process in those jurisdictions in the same way as their U.S. counterparts.

Information on the Bar examinations of New York and Massachusetts can be obtained by consulting the following Websites:

- The Massachusetts Board of Bar Examiners: www.mass.gov/bbe
- The New York State Board of Law Examiners: www.nybarexam.org

In addition to requiring a recognized law degree, some states require specific pre-law studies in order for a candidate to be eligible to sit state Bar exams. Students contemplating practice in the United States should ensure as early as possible that they will meet the Bar Admission requirements of the jurisdiction in which they intend to practice. Further information on a number of jurisdictions is available from the Career Development Office.

24.3 Language Requirements for Professions

Quebec law requires that candidates seeking admission to provincially recognized professional corporations* must possess a working knowledge of the French language, that is, be able to communicate verbally and in writing in that language.

To demonstrate this capability, candidates will be required to pass an examination set by the Office québécois de la langue française, unless they can show that three years of full-time instruction in a French post-primary school have been completed. Candidates who have completed their secondary education in Quebec in 1986 or later and have received their certificate from secondary school are exempt from writing the examination. The professional corporation will require this certificate, proof of attendance or of successful completion of the Office examination.

The examination may be attempted by registered students during the two years prior to the date they receive a degree giving access to a professional corporation. Application forms for sitting the exam while still a student may be obtained from the Admissions, Recruitment and Registrar's Office. Priority will be given to those closest to graduation. Examinations take place every three months and may be attempted an unlimited number of times.

More information may be obtained from the Office de la langue française, 125 Sherbrooke Street West, Montréal, Québec, H2X 1X4. Telephone: (514) 873-4833.

Students who need to acquire a functional level of proficiency in French may take courses from either the English and French Language Centre, Faculty of Arts, or the Centre for Continuing Education, 688 Sherbrooke Street West, telephone (514) 398-6200.

Students already proficient in French but who wish to keep up practice might consider courses in the Department of French Language and Literature, Faculty of Arts.

Note: Non-credit language courses, and in some cases credit language courses, completed at the Centre for Continuing Education may not be applied to program/degree requirements. Consult your Faculty for clarification.

25 Placement of Graduates and Alumni Relations

The programs offered by the Faculty of Law prepare students for a wide array of careers in the practice of law or related fields. To enable its graduates to take the fullest possible advantage of the opportunities available to them, the Faculty provides career counselling to its students through its Career Development Office (CDO). The Director of the Office, a faculty graduate and lawyer with private practice experience, oversees all career development activities, including assisting students with their search for summer employment and articling positions. Career development activities and programs also provide students with information about the various types of career opportunities open to them after graduation.

The CDO also assists employers in their search for candidates by posting electronically notices of job openings, organizing their
interview sessions, and overseeing the distribution of their promotional material to students.

The CDO Advisory Committee, made up of two student representatives, the Vice-President of the L.S.A. responsible for Clubs and Services, the Career Development Administrator, the Director of the Career Development Office and the Assistant Dean (External Affairs) meets regularly to discuss policy issues related to career development.

25.1 Resource Centre

The Resource Centre of the Career Development Office houses all information related to employment opportunities, as well as information about Bar admission courses and graduate and summer programs. Students regularly use the Career Development Office in their investigation of employment opportunities both in the legal sector and in other fields.

25.2 On-Campus Recruitment

The CDO organizes and/or coordinates twelve recruitment processes. Two of those involve On-Campus Interviews (OCIs): one for the Toronto employers and the other for the U.S. firms. Students also have the opportunity to take part in Vancouver and East/West Recruitment Processes, which are held in Toronto.

Prior to the Toronto and U.S. OCIs in the fall, the CDO publishes a list of employers that will be recruiting. Interested students submit their application(s) to the CDO, which then forwards them to the selected employers. The employers select the candidates they intend to interview when they come on campus, and inform the CDO of their choices. The CDO coordinates the scheduling of preliminary interviews with the students who have been selected.

Second interviews generally take place at the employer’s office and are organized directly between the employers and the students. As for Montreal recruitment, there are no OCIs; firms conduct interviews at their offices.

25.3 Careers Days

The Career Development Office organizes three careers fairs annually. The first two, Civil Law and Common Law Careers Days, take place in January and February in preparation for the Canadian recruitment processes. Over 80 legal employers visit the Faculty of Law to speak to students about the opportunities available at their law firm, government body, or organization. The third careers fair, known as “Public Interest Career Day”, is organized in conjunction with the Human Rights Working Group and other student clubs. At this February event, guest speakers and panellists gather to discuss opportunities for law graduates in the fields of human rights, environmental law, public law, international law and other fields relating to public interest.

25.4 Training Programs and Publications

The Career Development Office provides material and organizes seminars on how to pursue a career in law or related areas. Individual counselling is provided on the drafting of a curriculum vitae and cover letter as well as preparing for interviews. Workshops on Effective Résumé Writing and Developing Interview Skills are offered regularly. A Mock Interview Program assists students in preparing for meeting with potential employers.

The Office is also pleased to offer the Area of Practice Dinner Series. These provide an opportunity for practitioners to discuss their area of specialization with law students over dinner. The Career Development Office is also making efforts to increase employment opportunities abroad for students.

The Career Development Office publishes the Legal Employment Handbook, which is specifically designed to assist students of the Faculty of Law to identify and prepare for job opportunities. Other publications include “Ready to Go? The Guide to Your Career in International Law” and “You’re Not Alone! A Law Student’s Guide to Careers in the Public Interest”, as well as “The Graduate Students Career Handbook”.

25.5 Reciprocity Agreement

Reciprocity agreements have been signed with career offices of other North American law schools, enabling McGill students to obtain assistance in their employment research outside the province of Quebec.

25.6 Alumni/ae Network

McGill’s 5,500 alumni/ae frequently assist the Faculty in placing graduates. The Alumni Network is an important resource to current and future students as graduates of the Faculty of Law collectively represent a repository of experience, information, and contacts.

26 Library

26.1 Nahum Gelber Law Library

The Nahum Gelber Law Library, opened in 1998, is a state-of-the-art facility with a collection of over 180,000 volumes of statutes, regulations, law reports, treatises, journals, and other legal material. In addition to Canadian law, the collection focuses on air and space law, comparative law, private and public international law, human rights law, jurisprudence and international trade law. It also has legal materials from other jurisdictions such as Great Britain, France and the United States. The Peter Marshall Laing Special Collections Room houses the Wainwright Collection of French law from the ancient régime and other rare books. Other collections include extensive collections of French legal theses and the John Humphrey United Nations Collection. The Dobrin-Steinberg Computer Instruction Classroom, when not in use for teaching, may be used by law students for personal research. In addition, there is wireless network access throughout the building as well as over 300 wired workspaces allowing students to use personal laptop computers to access digitized information. There are also six Moot Team Preparation Rooms for the exclusive use of competitive moot teams and three group study rooms for use by McGill students.

27 Research Centres

Three research institutes are affiliated to the Faculty of Law: the Institute of Comparative Law (ICL); the Institute of Air and Space Law (IASL); and the Institute for European Studies (IES).

The Faculty of Law also supports five semi-independent research centres:

• the Research Centre in Air and Space Law
• the Centre for Human Rights & Legal Pluralism
• the Centre for Intellectual Property Policy
• the Research Centre of Private and Comparative Law;
• the Centre for Medicine, Ethics and Law, co-sponsored with the Faculties of Medicine and Religious Studies;

27.1 Centre for Human Rights and Legal Pluralism

The Centre for Human Rights and Legal Pluralism is a focal point for innovative legal and interdisciplinary research dialogue, and outreach on human rights and legal pluralism. The Centre’s mission is to provide students, professors and the larger community with a locus of intellectual and physical resources for engaging critically with how law impacts upon some of the most compelling social problems of our modern era.
27.2 Centre for Intellectual Property Policy

The Centre for Intellectual Property Policy was founded in 2003 under the auspices of the Faculty of Law. The goal of the Centre is to explore new perspectives on intellectual property so as to offer useful policy options to governments, the business community, researchers and developing economies.

Researchers affiliated with the Centre for Intellectual Property Policy, located around the world, come from a variety of disciplines such as law, management, philosophy, ethics, science, and economics. Together, they study how governments, researchers and industry manage new and old technologies and balance the concerns of technology users, technology creators and citizens at large. The Centre also acts as a neutral forum for interested parties and regularly holds conferences and workshops on a variety of topics related to intellectual property and innovation.

27.3 Research Centre in Air and Space Law

Since its establishment in 1977, the Centre has conducted research on various topics in air and space law and policy and it published a vast number of monographic studies, books, proceedings of symposia, reports and studies dealing with technical, economic and legal implications of the construction of airports, legal implications of direct broadcasting via satellites, remote sensing, natural resources in outer space and problems created by solar energy, military uses of outer space, air navigation management, the development of government regulation of air transport in Canada, etc. Researchers at the Centre have been leaders in addressing these issues for decades, holding interdisciplinary conferences and publishing documents on contemporary legal and policy issues. During its 30 years of existence, the Centre for Research of Air and Space Law contributed to promoting the name and prestige of McGill University through organizing successful conferences and workshops and through widely distributed publications, such as the *Annals of Air and Space Law*.

27.4 Research Centre of Private and Comparative Law

The Centre of Private and Comparative Law was founded in 1975 to promote research in the field of private law from a jurilinguistic and comparative perspective. The Centre has produced a historical and critical edition of the civil codes and is sponsoring a Quebec Civil Law Treatise. In addition, the Centre has published a bilingual lexicon of legal terms as well as the Private Law Dictionary and the Dictionnaire de droit privé, world-renowned authorities on the vocabulary of the civil law in English and French. The Centre sponsors the Civil Law Workshops at the Faculty which are designed to explore the foundations of the civil law tradition. In 2004, the Centre has initiated a new research program aiming to publish a collection of books devoted to the trans-systemic teaching of law in the McGill Undergraduate Program.

27.5 Centre for Medicine, Ethics and Law

The Centre for Medicine, Ethics and Law was founded in 1986 by the Faculties of Medicine, Religious Studies and Law, with subsequent participation by the Department of Philosophy. Its mission is to undertake and promote transdisciplinary research, teaching and community involvement in a broad field which includes health law and bioethics. The Centre's members are involved in a wide variety of activities including clinical and research ethics consultations to McGill Teaching Hospitals, governments and other institutions. Graduate students can undertake their Master's studies in law through the Master's Specialization in Bioethics in which Centre members, from the participating faculties including the Faculty of Law, act as thesis supervisors.
