## DR. FRASER N. GURD

**DR. FRASER GURD (1914-1995)** Dr. Fraser Gurd graduated from the Faculty of Medicine at McGill University in 1939. He succeeded Dr. H. Rocke Robertson as Chairman of the Department of Surgery, McGill University in 1962. Throughout his career, Dr. Gurd demonstrated a remarkable interest in research with several significant investigations into the treatment of shock and trauma. Perhaps his greatest contribution relates to the development of surgical scientists. Dr. Gurd has received many honours including the Royal College's Duncan Graham Award for outstanding service in medical education. He was an Emeritus Professor of Surgery at McGill University. The presentations by the residents and fellows are a tribute to the many contributions of Dr. Fraser Gurd.

## BARBARA LEE BASS, MD, FACS JUNE 13, 2019

[www.medicine.mcgill.ca/surgery](http://www.medicine.mcgill.ca/surgery)

# BARBARA LEE BASS, MD, FACS

CHAIR, DEPARTMENT OF SURGERY, HOUSTON METHODIST HOSPITAL  
AND WEILL CORNELL MEDICINE

DISTINGUISHED CHAIR AND PROFESSOR OF SURGERY, JOHN F. AND CAROLYN BOOKOUT

**BARBARA LEE BASS, MD, FACS** is the Chair of the Department of Surgery at Houston Methodist Hospital and Weill Cornell Medicine holding appointments as the John F. and Carolyn Bookout Presidential Distinguished Chair and Professor of Surgery. A leader in surgical education, Dr. Bass is the founding executive director of MITIE; the Methodist Institute for Technology, Innovation and Education, a state of the art education and

research center that has hosted over 55,000 health care providers including 13,000 surgeons in practice for retooling simulation-based surgical training in emerging surgical technologies and procedures. Her research programs in computational surgery, health services research, and surgical oncology has been funded by the National Institute of Health, the National Science Foundation and other national foundations throughout her career. She was a founding member of the research program that led to the development and dissemination of NSQIP, the National Surgical Quality Improvement Program, in the VA Health Care System and in the private sector within the American College of Surgeons. Dr. Bass has held many leadership roles in American surgery including Immediate Past President of the American College of Surgeons, Chair of the American Board of Surgery, President of the Society for Surgery of the Alimentary Tract, and the Society of Surgical Chairs. She serves on the editorial boards of the Annals of Surgery and the Journal of the American College of Surgeons and many others in the past. Dr. Bass has received numerous honors in her career including the Olga Jonasson and Nina Starr Braunwald award of the Association of Women Surgeons, the Founder's Medal of the Society for Surgery of the Alimentary Tract and the Distinguished Service Award of the American College of Surgeons. She has been awarded honorary fellowships by the Royal College of Surgeons – England (FRCS), the Royal College of Surgeons – Ireland (FRCSI), and the College of Surgeons of Eastern, Central, and Southern Africa (F-COSECSEA). Dr. Bass' general surgery practice is focused on endocrine and breast surgery.

## FRASER GURD SURGICAL RESEARCH FORUM JUNE 13, 2019

"This event is approved for up to 8.00 credits by the Centre for Continuing Medical Education ("CME"). The Centre for CME, Faculty of Medicine, McGill University is fully accredited by the Committee on Accreditation of Canadian Medical Schools (CACMS) and through the CACMS is accredited to award AMA PRA category 1 credits.

This event is an accredited group learning Section 1 activity as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

The Centre for CME, Faculty of Medicine, McGill University designates this activity for Category 1 credit towards the AMA Physicians Recognition Award up to the maximum number of credit hours noted above. Each physician should claim only those hours of credit that he/she actually spent at the educational activity."
