

# How can you create opportunities for students to revise their work?

Dr. Diane Dechief

McGill Writing Centre

## What are the benefits of providing opportunities for revision?

- 1) **Prioritizes process** over product
- 2) More **opportunities to think and interact with peers and instructor**
- 3) With teamwork, ensures **consensus is reached** at appropriate stages

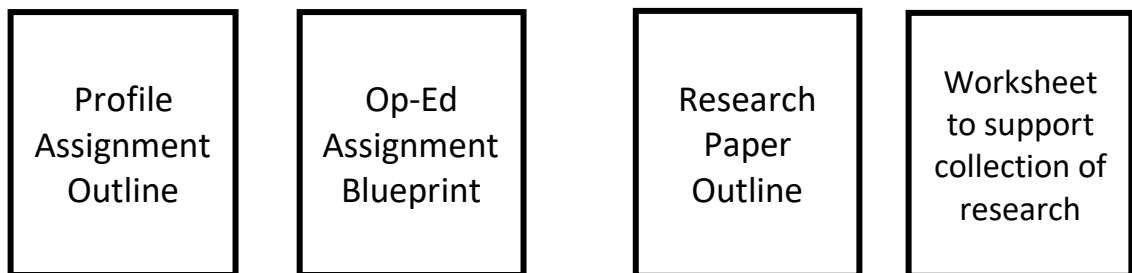

### A. Multiple drafts of written assignments

(e.g. CCOM 314 Communication Science, CCOM 206 Communication in Engineering)

### B. Identify common challenges and insert additional learning tools

(e.g. CCOM 314 Communication Science, CCOM 206 Communication in Engineering)

### C. Managing teamwork

(e.g. CCOM 315 Writing the Internet, CCOM 206 Communication in Engineering)
