## SANJAY KULKARNI, MD

---

RECONSTRUCTIVE UROLOGIST  
FOUNDER OF THE KULKARNI SCHOOL  
OF URETHRAL SURGERY (ISUS)  
PUNE, INDIA

Dr. Sanjay Kulkarni is an internationally recognized expert in urethral surgery, performing over 450 urethroplasty cases per year. He trained in England in the 1980's under Dr. Turner-Warwick, before returning to India and founding the Kulkarni Centre for Reconstructive Urology. He along his wife, Dr. Jyotsna Kulkarni, were pioneers in introducing laparoscopic surgery in India. Every year, numerous international urologists come to train at the Kulkarni School of Urethral Surgery to learn Dr. Kulkarni's techniques.
